ABOUT SDMIT, UJIRE

SDM Institute of Technology is an ambition driven technological institution situated in Ujire within the homely ambiance of SDM Institutions and the serenity of the Western Ghats. Managed by SDM Educational Society Ujire under the impeccable leadership of Dr. Veerendra Heggade, the institution has thrived over the years in the areas of academics, innovation, and extracurricular activities. With more than 1500 students availing quality education every year, the college flaunts the testimony of over 2500+ alumni who are exceptionally well placed in the society today. For the last 16 years, SDMIT has been successfully delivering the promise of education rooted in discipline and the holistic development of students.

ABOUT THE DEPARTMENT

The department of Electronics and Communication Engineering (ECE), at SDM IT, was started in 2007. The department was granted with VTU Research Centre in 2016. At present, 17 faculty members are pursuing research in the areas of Speech, Image and Signal processing, VLSI and Antenna design. The department has grown steadily and achieved several landmarks in academics and students' achievements. The department strives hard for imparting better knowledge to the students through academics, project-based activities, workshops and industrial visits. Wipro Mission 10X Technology Learning Centre of the department provides practical exposure necessary to excel in the stream.

VISION:

Excellence in Education, Commitment to Society.

MISSION:

Create an atmosphere that facilitates sensitizing the young technocrats to the needs of the community with relevant inputs of academic, innovative and research capabilities

ABOUT THE CONFERENCE VENUE

Sri Kshetra Dharmasthala is the encompassing force sustaining all SDM institutions, social initiatives and organisations. The temple town of Dharmasthala that fosters multiple faiths under the watchful eye of Lord Manjunatha is a pilgrimage, an attraction and a spiritual healing center, keeping intact the values and ideals of institutions functioning under the guidance of the Dharmadhikari.

The name Dharmasthala is a symbol for the confluence of all necessary social attributes. This town is where you can arrive at if you seek to find modernization grow perfectly rooted in traditions. Religion, spirituality, social welfare, education, entrepreneurship, healthcare – you name it – and you'll find it here.
