## TWO DAYS' NATIONAL CONFERENCE

on

### “Recent Advances in AI Applications to Electrical, Electronics and Computer Engineering (AIEECE-2026)”

15<sup>th</sup> - 16<sup>th</sup> MAY 2026

#### VENUE

Electrical Seminar Hall,  
Admin Block, SSIT, Tumakuru.

Organized By

Department of

Electrical & Electronics Engineering

Accredited by NBA, New Delhi in Tier-1 for 3 years  
(2023 to 2026)

SRI SIDDHARTHA

INSTITUTE OF TECHNOLOGY

Maralur, Tumkur 572 105, Karnataka, India

[www.ssit.edu.in](http://www.ssit.edu.in)

#### ABOUT THE INSTITUTE:

Sri Siddhartha Institute of Technology (SSIT), Tumkur Karnataka. SSIT was established in the year 1979 under the ambit of Sri Siddhartha Education Society (SSES), Tumkur. Since then, it has grown with time. At present, the Institute runs 12 programmes in Bachelor of Engineering (BE) with an annual intake of 1050 and 7 M.Tech, MCA & MBA Programmes in Post-Graduation, Several Doctoral programmes in Engineering and Sciences.

Sri Siddhartha Education Society was established in the year 1959 by Shikshana Bheeshma Dr. H.M. Gangadharaiah, with the blessings of Acharya Vinobha Bhave, Started with only one school, has grown consistently and has established around 90

Institutions under its aegis spread across the southern part of Karnataka. The academic empire includes two Engineering Colleges, two Medical Colleges, a Dental College, a Nursing Colleges, First Grade Colleges, B.Ed. Colleges, Training Institutes, Sanskrit & Pali Schools, and number of high schools with a vision to take education to **reach the unreached**.

#### ABOUT THE DEPARTMENT:

The department offers a vibrant environment for education and research in electrical engineering. Our mission is to provide quality education in the field of Electrical and Electronics Engineering and help the students to design and develop products and practical solutions for problems in public and private sectors. Department of Electrical Engineering is currently offering B.E. in Electrical and Electronics Engineering, M. Tech. in Computer Applications in Industrial Drives and Ph. D. in various domains of Electrical Engineering.

Electrical & Electronics Engineering program started in the year 1980 with an intake of 40, enhanced to 50 in 1994, 60 in 2001 and presently its 120. The Program is accredited by the National Board of Accreditation (NBA) in Tier 1 for 3 years and consecutively accredited since 2004.

Since its inception, the department has contributed significantly to the growth of Electrical Engineering education and research in India. Many alumni of the department have distinguished themselves in academic institutions, research laboratories, industries and government organizations, both in India and abroad. Department received around Rs. 1.5 Crore grants from various funding agencies.

#### ABOUT THE CONFERENCE

The Conference on “Recent Advances in AI Applications to Electrical, Electronics and Computer Engineering (AIEECE-2026)” is an academic and technical forum that brings together researchers, faculty members, industry experts, and students to discuss emerging developments in Artificial Intelligence and its applications in engineering domains. Similar conferences across India focus on interdisciplinary research, smart technologies, automation, intelligent systems, and sustainable engineering solutions.

#### PROGRAMME OBJECTIVES:

- To provide a platform for presenting innovative research ideas.
- To encourage interaction between academia and industry.
- To explore AI-based solutions in Electrical, Electronics, and Computer Engineering.

- To promote interdisciplinary research and collaborative projects.
- To discuss future technologies such as smart grids, IoT, machine learning, robotics, and intelligent automation

#### Who can attend CONFERENCE

Faculty/Research Scholars/ PG Students/Industry professionals

#### REGISTRATION FEE:

Rs. 1200/- (Rs. One Thousand Two Hundred Only)  
Last date for registration is: 09/05/2026
