True Islam Founder Abdul Barkat Ali Who Witnessed Teleportation Of Lord Natraz BBB Or Creator BBB (Allaha Ho Akbar) As Idol Avatar In Balak On 22 - 23 Dec 1949 In Middle Gummed Of Babri Mosque Now Mahakaal Ka Kaba Whose Secular Flag Is Hosted There , A New Secular Destination (TRUE KABA) Of Secular Deity Has Been Shifted From Saudi To Ayodhya Who Is Adhinayak And Bhagya Vidhata Of Indian National Anthem.

Dr V M Das
Das Nursing Home , Fatehgarh , India
University Of God

Abstract

True Islam means that Starts with Namaz . Means worship of tachyon particle which is made up of two God particles whose photo depiction is Lord Natraz bbb or Creator bbb or Allah ho Akbar who did teleport on 22 23 Dec 1949 in middle gummed of Babri Mosque witnessed by Abdul Barkat Ali as Idol Avatar of Balak called Mahakaal Lalla virajman the Creator bbb rather than Ram lalla virajman a Creation , a wrong nomenclature established by HC and SC because as Abdul Barkat Ali evidence was not taken as evidence that made SC judgment 9.11.2019 erroneous and discarded by Mahakaal in Curative petition by Him as He is Almighty Court of Justice too . Means now in true Islam idol worship is established and founder of true Islam is Abdul Barkat Ali who had seen birth of Creator BBB or Lord Natraz bbb or Allah ho Akbar on 22 23 Dec 1949 in middle Gummed of Babri Mosque . Hence now new and true Kaba is established in Ayodhya as Mahakaal ka Kaba or Shivalaya and now it dissolves illusive Kaba of Saudi Arabia . My wish to visit Saudi Kaba to launch Idol of Lord Natraz there has been fulfilled by this shifting and I got opportunity to host Lord Natraz's Flag as sign of Kudmukhtari in India and globe in new Mahakaal ka Kaba at Ayodhya .

Keywords - Basic Building Blocks , Mind and Mass , Atomic genetics , Atomic transcription and Translation ,

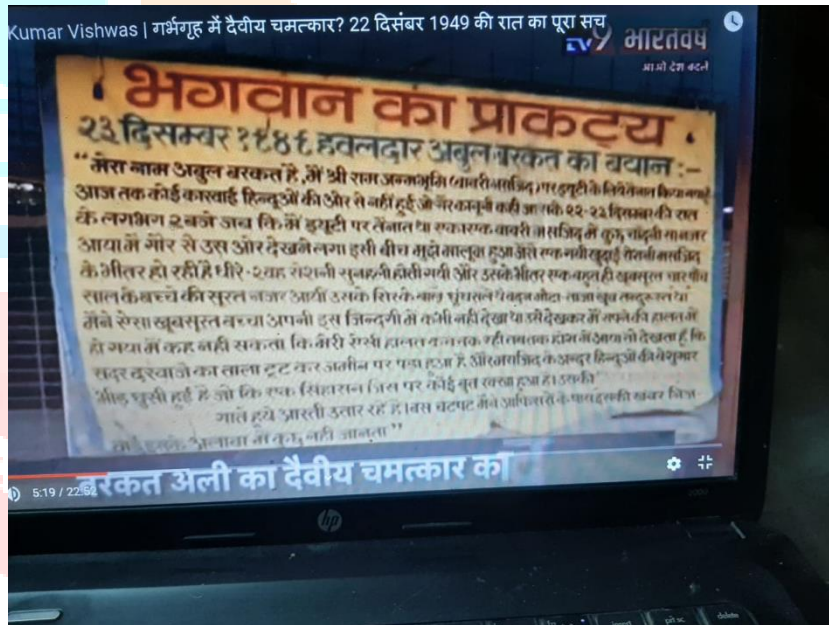

Tachyons .

Introduction [1]

Flag and Seal of UOG or Religion “1” Universe Number ONE, Lord Natraz BBB or Allah Ho Akbar BBB

My wish to visit Saudi Kaba to launch Idol of Lord Natraz there has been fulfilled by this shifting and I got opportunity to host Lord Natraz’s Flag as sign of Kudmukhtari in India and globe in new Mahakaal ka Kaba at Ayodhya .

सम्पूर्ण अयोध्या With Kumar Vishwas | गर्भगृह में दैवीय चमत्कार? 22 दिसंबर 1949 की रात का पूरा सच

Hoyle Narlikar Universe - OR -- Universe "I"

HEMISECTION OF OUR HOYLE-NARLIKAR UNIVERSE

OR

UNIVERSE "I"

What is New Physics or Physics of Mind ?

Hoyle - Narlikar Universe

ORIGIN OF THE UNIVERSE
CONTINUOUS CREATION THEORY----
 HOYLE AND NARLIKAR THINK THAT NEW MATTER IS BEING CREATED DUE TO "IMPLOSION" TO BALANCE THE EXPANSION OF THE UNIVERSE WHICH ASTRONOMERS HAVE OBSERVED. INSIDE "QUASI STRINGS" GRAVITATIONAL COLLAPSES MAY FORM SOME MATTER IN THE UNIVERSE. THE HUGE LUMINOSITY AND THE RADIOEMISSION FROM THESE QUASI STRINGS APPEAR TO BE "GRAVITY POWERED" UNUSUAL ORDINARY STARS WHICH DERIVE THEIR ENERGY FROM NUCLEAR REACTIONS

Special Theory of Relativity (1905) is not Physics of very fast . It has distorted concept of Basic Quantities of MLT . Hence it is illusive Theory

Very Fast Means - Tachyons Particles FTL Phenomenon

All three Work by Divine mechanics

Divine Mechanics Connects All three

Very Massive Means - Hoyle Narlikar Universe And Divine MOND (Gravity Theory)

Very Small Means - Basic Building Blocks God Particles

Theory of General Relativity (1916) and Big bang are not Physics of very massive . It is illusive Theory of Gravity and universe origin

Quantum Mechanics (1925) is not Physics of very Small . Superposition and Dual nature of light and matter are illusive theory

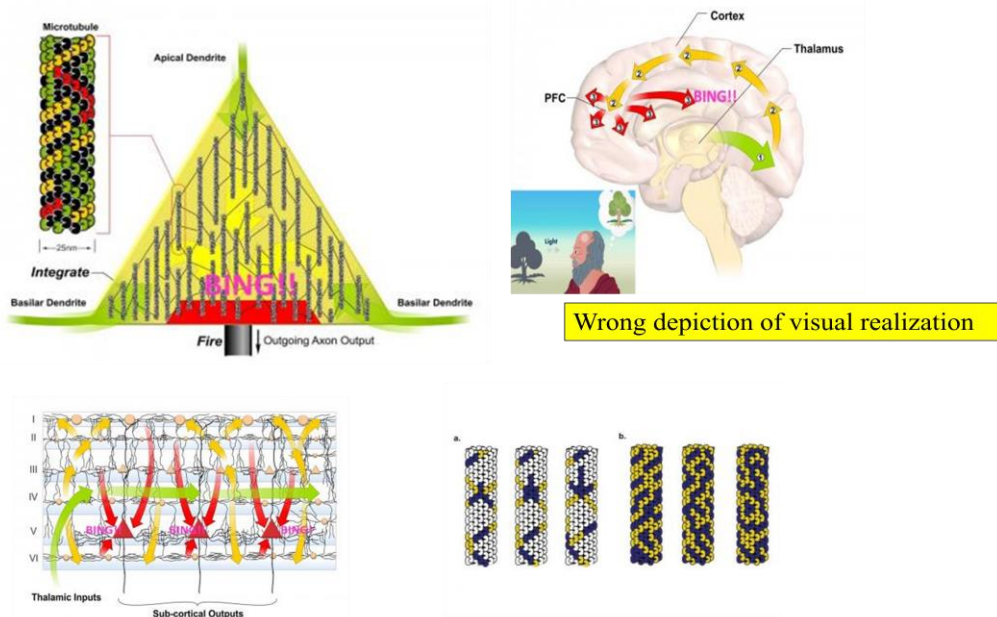

Physics of very fast , very massive and very small Is participatory Science Or Mind Incorporation in Physics

Physics of Mind

Quantum Consciousness - According to Physicists and Biologist

The nature of consciousness remains deeply mysterious and profoundly important, with existential, medical and spiritual implication. We know what it is like to *be* conscious – to have awareness, a conscious ‘mind’, but who, or what, are ‘we’ who know such things? How is the subjective nature of phenomenal experience – our ‘inner life’ - to be explained in scientific terms? What consciousness actually *is*, and how it comes about remain unknown. The general assumption in modern science and philosophy - the ‘standard model’ - is that consciousness emerges from complex computation among brain neurons, computation whose currency is seen as neuronal firings (‘spikes’) and synaptic transmissions, equated with binary ‘bits’ in digital computing. Consciousness is presumed to ‘emerge’ from complex neuronal computation, and to have arisen during biological evolution as an adaptation of living systems, extrinsic to the makeup of the universe. On the other hand, spiritual and contemplative traditions, and some scientists and philosophers consider consciousness to be intrinsic, ‘woven into the fabric of the universe’. In these views, conscious precursors and Platonic forms preceded biology, existing all along in the fine scale structure of reality.

My research involves a theory of consciousness which can bridge these two approaches, a theory developed over the past 20 years with eminent British physicist Sir Roger Penrose. Called ‘orchestrated objective reduction’ (‘Orch OR’), it suggests consciousness arises from quantum vibrations in protein polymers called microtubules inside the brain’s neurons, vibrations which interfere, ‘collapse’ and resonate across scale, control neuronal firings, generate consciousness, and connect ultimately to ‘deeper order’ ripples in spacetime geometry. Consciousness is more like music than computation.

Colleagues Travis Craddock and Jack Tuszynski and I also study how anesthetics act in microtubules to erase consciousness, and with Jay Sanguinetti, John JB Allen and Sterling Cooley, we are studying how transcranial ultrasound (TUS) can be used noninvasively to resonate brain microtubules and treat mental, cognitive and neurological disorders. Many thanks to my assistant Abi Behar-Montefiore and Ed Xia for maintaining this website.

1.2 Mind and Mass Realities [2]

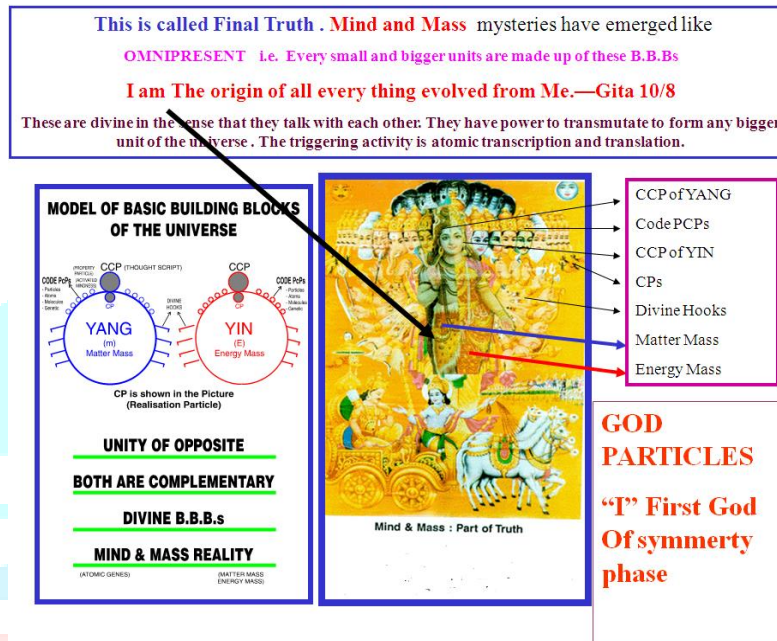

Fig. 1 Divine Mechanics Unit – CCP, CP and information s – Code PcPs with B-Bit – Mass

Atomic genetics is the branch of science where we investigate about fundamental interactions of the universe i.e. atomic transcription and translations . New words have been coined to understand hidden science of mind part of reality. Mind reality has been recognized as different faces by “I” about 5000 years back to Arjuna in Mahabharata.as shown in Fig 1. It is just like to understand any language through Alphabets. These are (different faces) Alphabets of mind reality. One Mind reality has one face identity and the second mind reality has second face identity and so on. The facial expression represents phenomenon of intelligence and different faces represent different types of properties carrying property. The open eyes means property is activated while close eye means property is inactivated. In spite of carrying properties consciousness they also know how to conduct not only origin of universe but also how to create two different universe i.e. next creation could be different from this creation . In all, it is automatic system of the universe . The mind realities which are of good properties have devtas face identity (first five faces on both side) and those mind realities which are of bad properties have demons face identity (last four faces on both side) . These are named as code PCPs or messenger atomic genes . The central face is CCP or Thought script where all thoughts of the universe are banked . It is bank of data of all information s of the universe It is face identity of Anti mind particles as data of all information’s of the universe are stored as anti mind particles . It is the Time mind ness (biological clock) that keeps on expressing different thoughts from this thought script (CCP) . There are four more faces (black bodies) shown on extreme left and right floating in fire are CPs (translating Atomic genes) . That translates the messages and realizes it and reacts accordingly.[2]

1.3. Messages From Biological world to understand B.B.B world as shown in Fig 2 [2]

In participatory science, we take similarities from biological world to understand the B.B.Block world. One who knows biological transcription and translation, can also understand atomic transcription and translation.

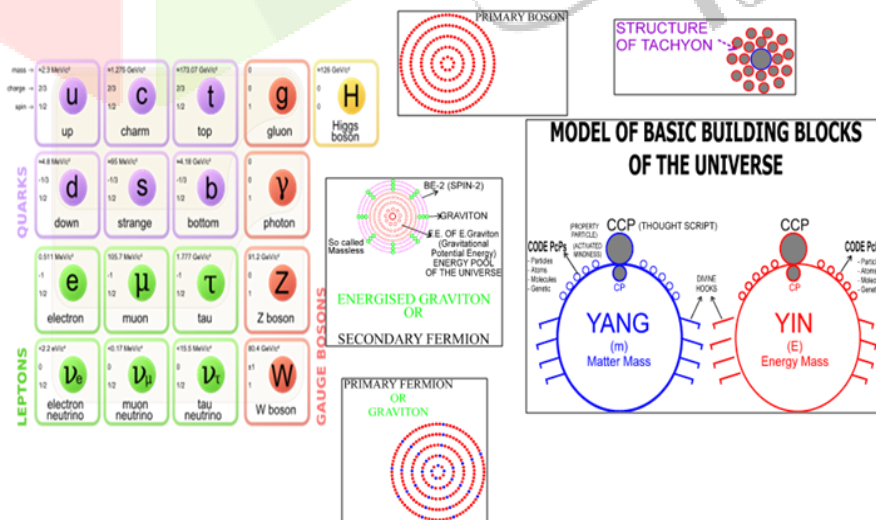

1. Cell is anatomically and physiologically unit of the body. Similarly B.B.Bs. are structural and functional units of the universe.
2. Cell functions (metabolic) are controlled by biological transcription and translation. Similarly, B.B.Bs. functions are controlled by atomic transcription and translation.

Biomolecules take part in biological transcription and translation are **DNA**- message storage system.
mRNA-messenger molecule (carries message from nucleus to cytoplasm).
Ribosome- translating molecule (it translates the message and works accordingly). Similarly, atomic genes that take part in atomic transcription and translation are-
CCP-thought storage system (omniscient). It is similar to **DNA** of the biological world.
Code PCPs-messenger atomic genes. It is similar to **mRNA**.
CP-translating atomic genes. It translates the messages and realizes the message and reacts accordingly.

Fig. 2 Parallel teaching by participatory science

The standard model not only modified rather it has been completed [3] with introduction of energized gravitons , primary fermions , primary bosons , Basic Building Blocks , Mind and Tachyons as shown in Fig 3

Standard model completed with Fundamental particles and Mind And Tachyons

Fig. 3 standard Model chart [3]

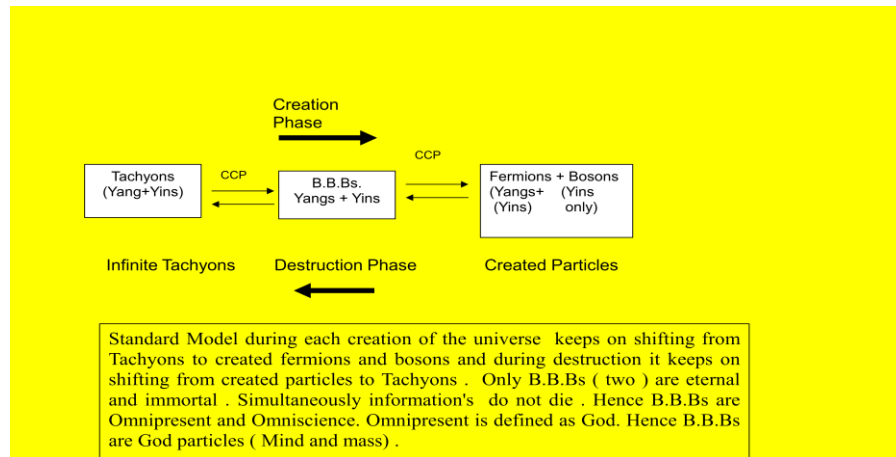

Fig 3.1 one creation and destruction cycle [4]

Participatory science has coined [5] some new words and there are some words which already exist in physics. Both these words are defined here and the definitions are according to participatory science. It has no relation with the definitions given in modern physics.

1. Mass - The part which gives shape to the smallest mass unit i.e. basics building blocks (B. B. Bs.) is called mass.
2. Matter :-Mixture of fermions and bosons or only bosons which are made up of mass (B.B.Bs) and that is why we realize their shape is called matter.
3. Inertial mass :-Mass (smallest mass units i.e. B. B. Bs) having inertial properties (classical inertia) either absolute rest or uniform motion in straight line is called inertial mass. Or Number of B. B. Bs. Per unit space present in bigger units is called inertial mass. Or Total matter contained by the bigger units or total number of fermions and bosons contained by the bigger units is called inertial mass. Therefore it never changes from place to place.
4. Gravitational mass :- The mass (interacting surfaces) which takes part in gravity (divine energized gravitons theory) interaction (which is due to mind) is called gravitational mass. When gravity interaction increases (number of divine energized gravitons increases) the interacting mass (interacting surface) also increases or when interacting mass (interacting surfaces) increases, gravity interaction (number of divine energized gravitons) also increases. Therefore gravitational mass (interacting mass or surfaces) changes from place to place. It is the fed mind that decides gravity interaction. We shall discuss it in gravity chapter and in atomic genetics.
5. Pure m (matter) mass :-matter mass (smallest mass unit or B.B.B) which have got inertial property of absolute rest.
6. Energy mass:-Energy mass (smallest energy mass unit B.B.B) which have got inertial property of uniform motion in straight line and which also gives shape to the bigger energy mass (Higgs Bosons etc) units.
7. m (impure matter) of $E=mc^2$:-Matter particles (fermions) which have got spin property are called impure matter particles.

1.4 Prayer message formation in brain.

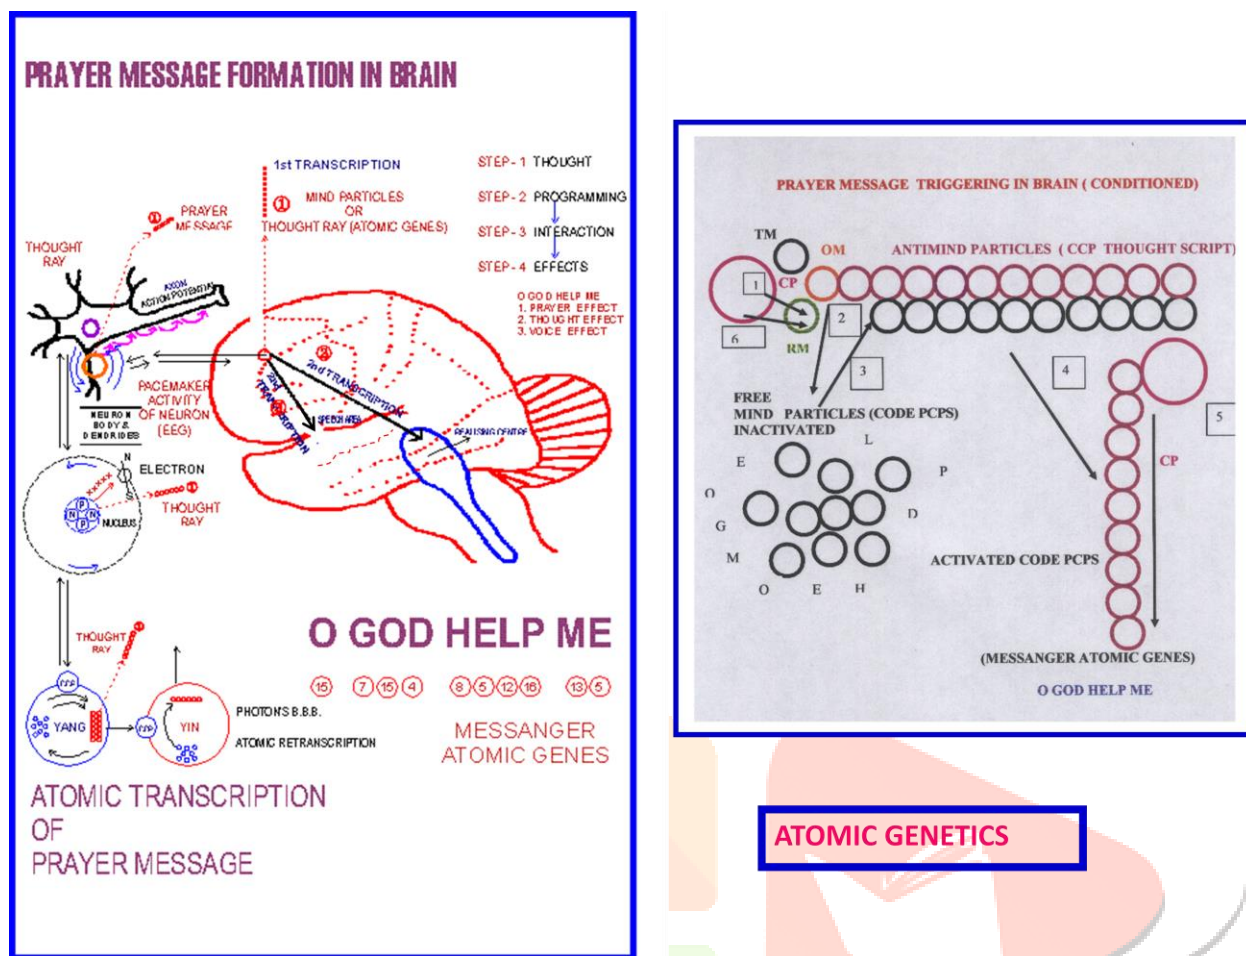

Fig 4 Divine Mechanics - Prayer message formation in brain

In atomic transcription and translation of prayer [5], following steps take place on Yang B.B.B – B-Bit as shown in Figure 4.

1. CP removes RM (repressor mindness-green) from OM (operating mindness -orange) thus induction of atomic transcription triggers.
2. OM triggers activation of free mind particles (black -inactivated code PCPs) of that thought script (magenta) of “o god help me ”.
3. Free mind particles (black -inactivated code PCPs) get attached to anti mind particles script (magenta one) to form messenger thought script of “o god help me ”.
4. Messenger atomic genes (black) get activated by anti mind particles thought script and further they get detached from anti mind particles thought script to form activated messenger atomic genes (activated code PCPs) (magenta) of “ o god help me ”
5. CP carries phenomenon of splicing by translating the messenger activated atomic genes (activated code PcPs) and finally there is activated message of “ o god help me” is formed .
6. CP represses atomic transcription by adding RM (green) to OM (orange) . Thus atomic transcription gets halt.

Having formed the message it comes out in three forms .

In atomic genetic engineering (prayer) we use our basic power i.e. power of B.B.Bs. Our B.B.B. (higher center) talks with highest center of the universe by sending the message by first transcription. Till today nobody knows how does the brain generate thoughts. I am going to tell you that mystery too. In the frontal lobe the neurons are responsible for thought generation. In the neuron there is electrical activity called pacemaker activity which is occurring between dendrites and the body of the neuron. The membrane of the cell is made up of atoms and atom is made up of B.B.Bs. At the level of B.B.B. say thought of 'O GOD HELP ME' is expressed. As a result programmed messages of O GOD HELP ME (code PCPs) are formed. Out of three programmed messages, one is carried by atomic genes to highest center of the universe. It is called **THOUGHT RAY (Quantum entanglement)** which is made up of pure atomic genes and then the message goes through phenomenon called first

transcription. They come out from brain directly. The other two messages are carried by photons from nucleus of atom to electrons. Here they are modulated on electrical activity of the cell called pacemaker activity. Further they are modulated on actions potentials going towards **REALIZING CENTER** situated in brain stem (RAS) and from RAS to speech area situated in the frontal area. Target B.B.Bs. of the realizing center finally realizes thought effect of O GOD HELP ME. While from speech area message goes to motor cortex again via RAS and from there to vocal cords and finally it comes out as a speech effect of O GOD HELP ME. In layman's terminology formation of the thought ray means PRAYER as shown in Fig 4

Where Does Prayer Message go ?

Prayer message goes as shown in Figure 5 to highest center of the universe via first transcription where it is realized and it is accepted, the highest center sends two messages to B.B.Bs working as higher center in cancer cell. These messages are message of inhibition of abnormal thought expression and message of activation of normal thought expression. Having received the messages, higher center stops expressing the abnormal thoughts and it starts expressing the normal thoughts. As a result, there are no more abnormal programmed messages and in place of that normal programmed messages are there. Now the messages have shifted from abnormal (5 and 6) to normal (2 and 3). This shifting of thought expression is called **ATOMIC GENETIC ENGINEERING** as shown in Figure 4.1

The changed messages reach to target B.B.Bs. through same route. Having received the changed messages, target B.B.Bs. stop expressing the previous programming and they start expressing the normal programming. As a result the cancer cells transmutate into normal cells. **Or diseased cell gets cured [6]** as shown in Fig 4.1

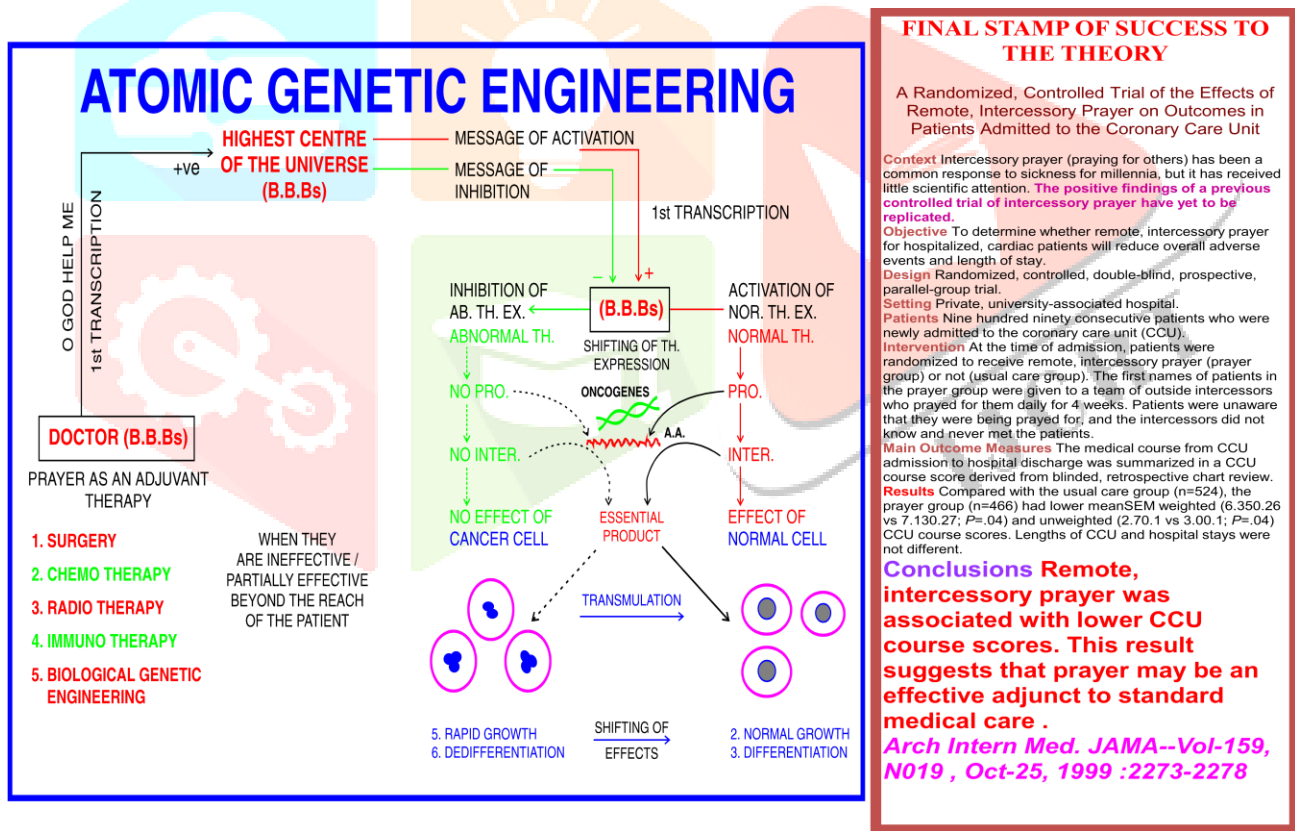

Fig 4.1 A.G.E and Final stamp of success to New Theory[6]

1.5 Message system of the Universe

Before the origin of the universe [2] nature had only one type of message systems which is called FIRST TRANSCRIPTION. Messages (Code PcPs) used to go from one B.B.B. to another B.B.B. by atomic transcription. Messages were carried by atomic genes (Code PcPs) with very very high velocity. It is the fundamental message system.

After the origin of the universe, nature created atoms. It also created one more message system called SECOND TRANSCRIPTION. Here the message (code PcPs) are carried by photons from one atom to another atom with velocity of light. Thus atoms ,molecules, cells, and even individuals talk with one another

After the formation of the cell , nature created one more system called THIRD TRANSCRIPTION .Here there is a message storage system formed by DNA. There are messenger molecules called mRNA that carry message from DNA script to cytoplasm where the message (code PCPs) is read or translated by ribosome and they work accordingly. Thus the messages reach to enzymes and hormones and finally messages reach to target units. Having received the messages, target units work accordingly. Finally life effects (metabolic) are observed. These three types of message systems are working in the nature. These message system are being used by the nature according to nature's need. as shown in Fig 5

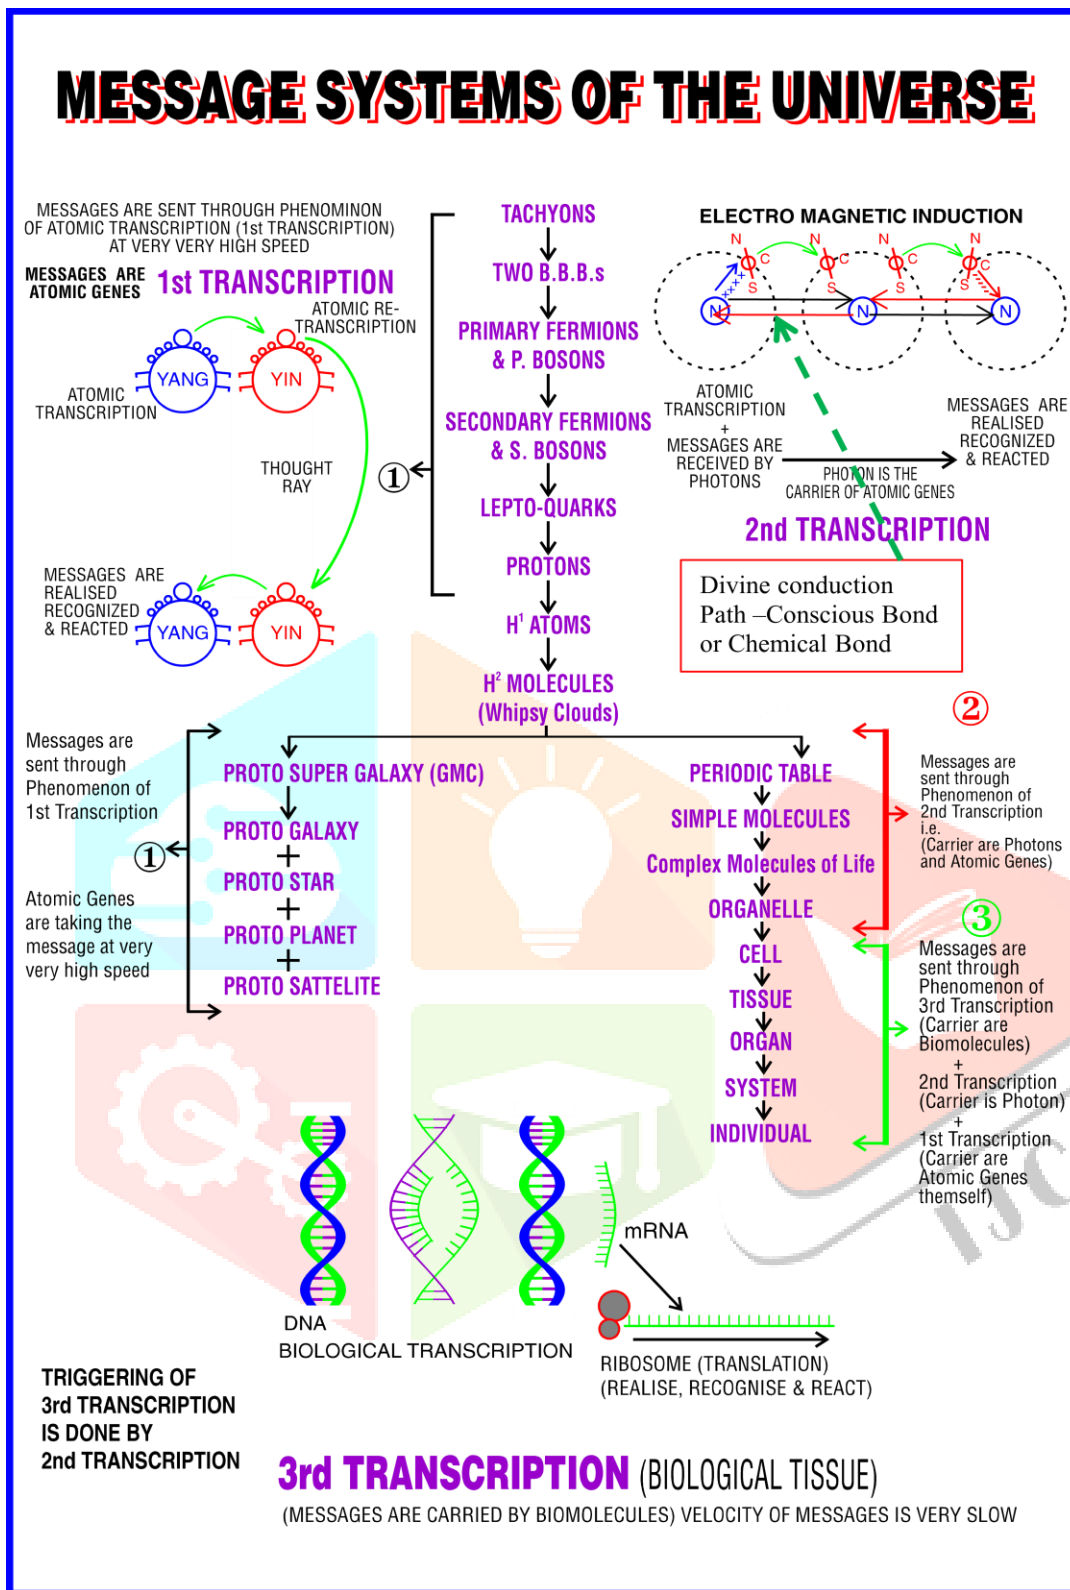

Fig. 5 Messages system of the universe

1.6 How does nature work & triggering of normal & abnormal effects

To understand creation physics as shown in Fig 6 and Fig 7. . There are two types of thought stimulation [2] . One is **CONDITIONED THOUGHT STIMULATION** and other one is **UNCONDITIONED THOUGHT STIMULATION**.

STIMULATION OF THOUGHT EXPRESSION --- There are two types of thought expressions one is CONDITIONED STIMULATION of thought expression, and other one is self stimulation of thoughts i.e. UNCONDITIONED STIMULATION of thought expression .

At the time of the origin of the universe, all effects got created. The cause of all effects of the universe is THOUGHT expression. These thought expressions were triggered by UNCONDITIONED OR SELF STIMULATED WAY . It is the first step and it is followed by PROGRAMMING or formation of programmed messages by code PCPs. This programmed message moves from higher centers to target B.B.Bs. it is called INTERACTION. Having received the messages, the mind and mass of the target B.B.Bs. work in a synchronized way so as to produced the effects as thought by a the higher center. If the thought expression by higher center is normal, the shapes, properties and laws produced by target B.B.Bs. would be normal and if the thought expressions are abnormal, the shapes, properties and laws would be abnormal. This is the basic concept of transmutation phenomenon. Finally what we observe is called EFFECT. Appearance of new shapes. properties and laws is called TRANSMUTATION. The first three steps are collectively called CCP. During transmutation process if CCP is written, it does mean that unless the thought, programming and interaction take place, nature cannot transmutate. Transmutation phenomenon is seen in particles, atoms, molecules and even in cells. The basic steps of any transmutation remain the same except that the thought expressions differ.

The subatomic particle are made up of more fundamental particles called Basic Building Blocks (B.B.Bs) which are made up of mind and mass. These B.B.Bs are divine in nature with the result they talk with each other by phenomenon called atomic transcription and translation (thought expressions). The triggering of broken symmetry is caused by atomic transcriptions. Unless the atomic transcriptions occur, subatomic particles could never exhibit phenomenon of broken symmetry . So the broken symmetry is never spontaneous. It is being mis understood that sub atomic particles do have spontaneous activities as far as broken symmetry is concerned. Hence the Nobel prize physics 2008 awarded to this work is too early to give prize.

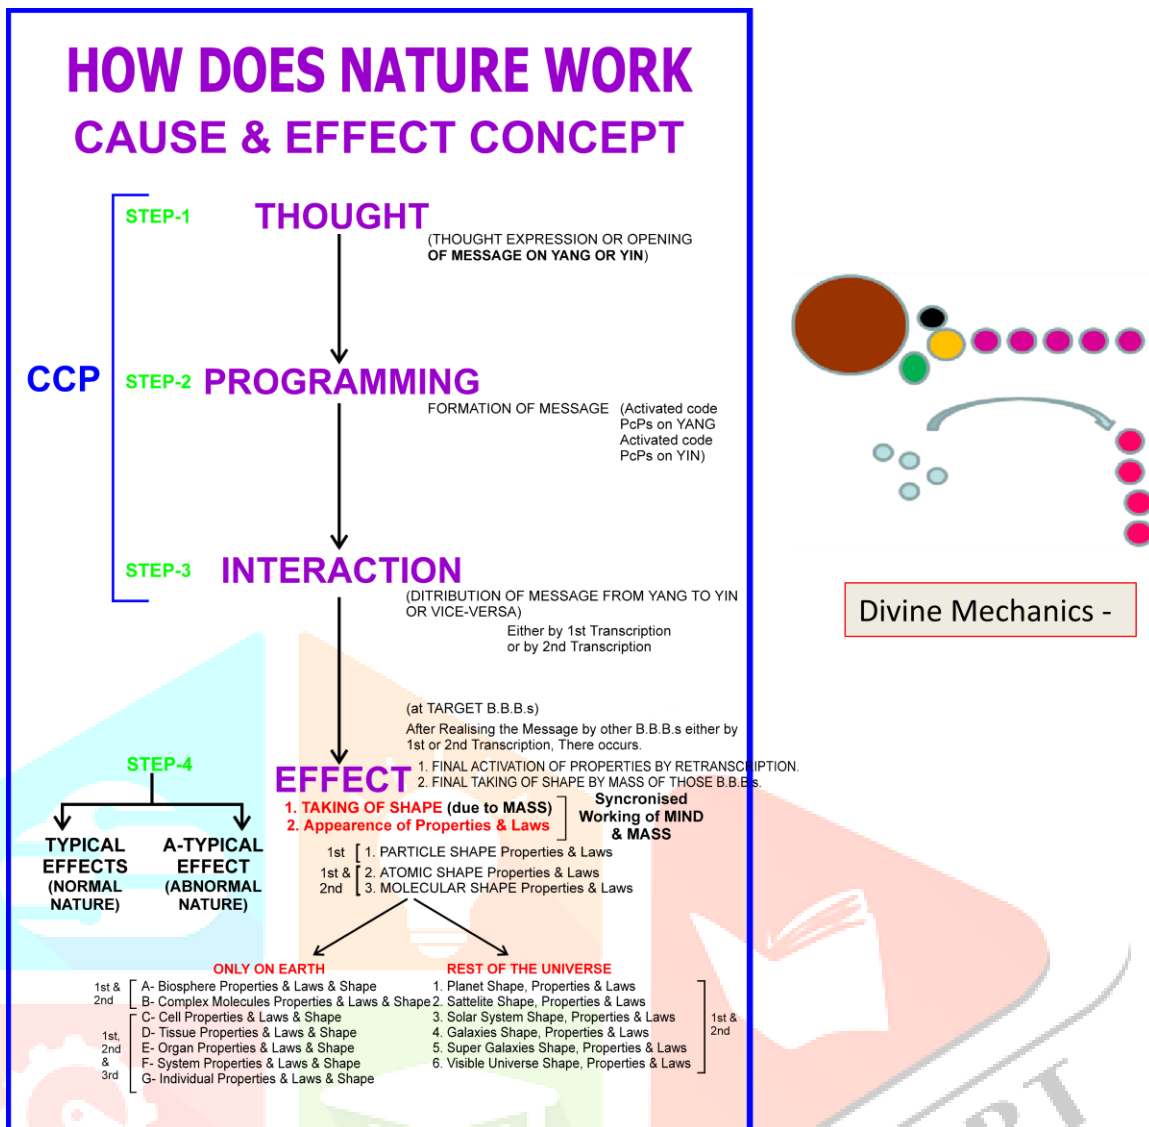

Fig. 6 Divine Mechanics – How Does Nature work ?

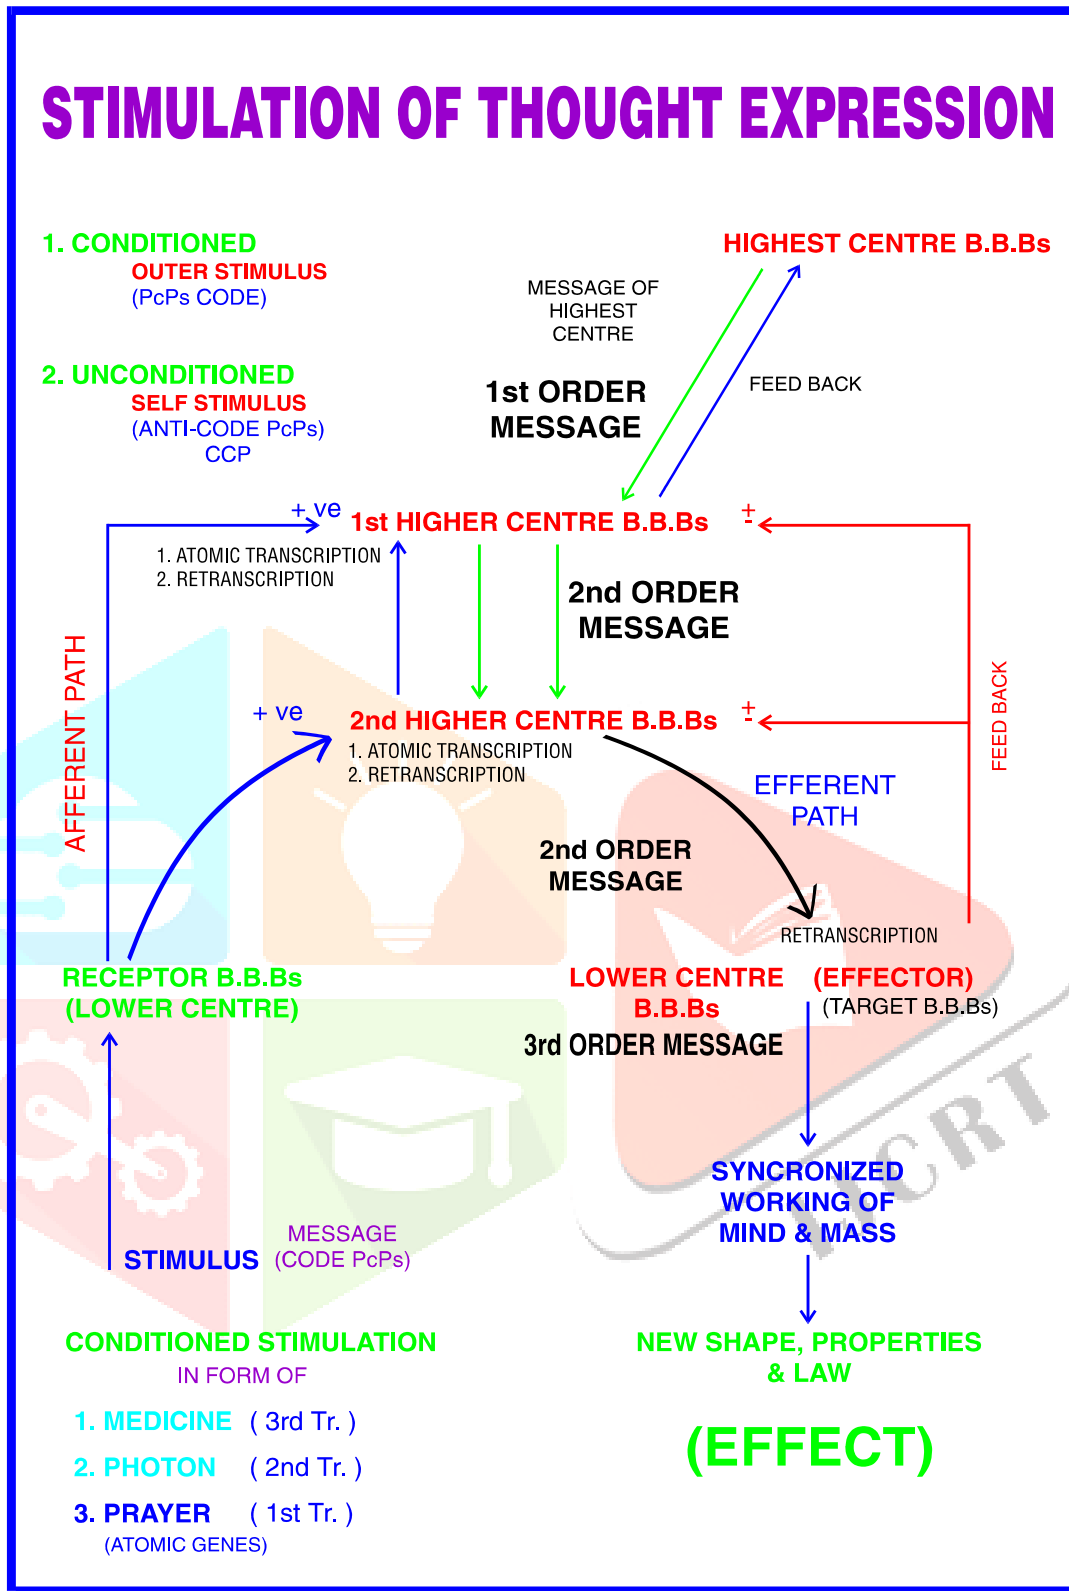

Fig. 7 Conditioned and Unconditioned thought expressions

1.7 Message network of the Universe (Feed Back Mechanism and different centers of the Universe)

With the origin of universe, nature first created primary units i.e. primary fermions (gravitation) and primary boson, these primary units are equipped with one higher center (one B.B.B.) and rest of the B.B.B.s. are working as lower centers or target B.B.B.s.[2] After primary units ,nature created secondary units i.e. secondary fermions and secondary bosons. similarly nature created tertiary units (lepto-quarks) and then quaternary units (protons& neutrons).

Each unit is equipped with higher centers, lower centers and target B.B.Bs. After quaternary units nature created atomic units, molecular units, complex molecules of life units, organelle units, cell units, tissue units, organ units, system units and individual units. Each unit is equipped with higher centers, lower centers, and target B.B.Bs. Similarly nature created satellite units, planet units, solar system units, galaxy units, super galaxy units, dark matter layer unit. These units are also equipped with higher centers, lower centers and target B.B.Bs. Thus our universe is divided into different units and each unit is equipped with higher centers, lower centers and target B.B.Bs.

All higher centers are under control of highest center of the universe by efferent paths. This efferent path is made up of first transcription. Higher centers can send messages to highest center of the universe by afferent path or feed back path. Thus highest center of the universe is well informed about all effects of the universe. Messages can come from lower centers to higher centers and from higher centers to highest center of the universe via afferent path. The highest center of the universe can send messages to higher centers and from higher center to lower centers. There is an inter unit message network also which is made up of first, second and third transcription depending upon the nature's need. Thus the entire universe is under control of highest center of the universe. Highest center can change any programming programmed by it during pre creation era as shown in Fig 8

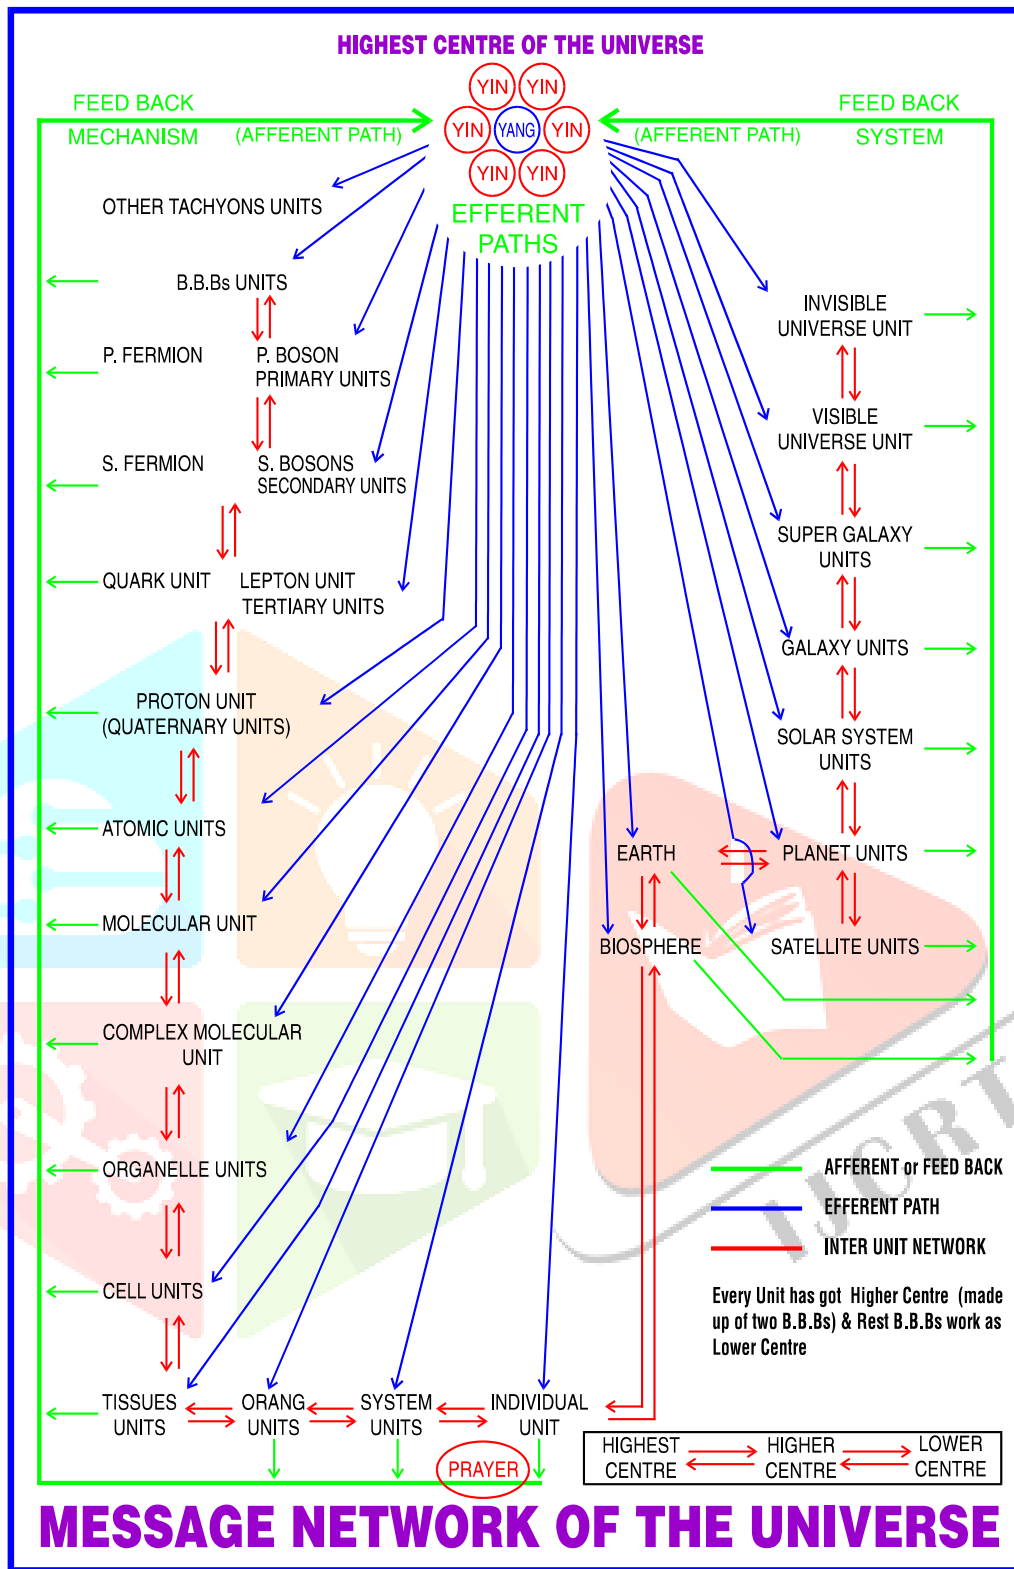

Fig. 8 Messages Net work of the Universe

1.8 Origin of the universe [7]

Hoyle – Narlikar Universe

ORIGIN OF THE UNIVERSE

CONTINUOUS CREATION THEORY---

HOYLE AND NARLIKAR THINK THAT NEW MATTER IS BEING CREATED DUE TO 'IMPLOSION' TO BALANCE THE EXPANSION OF THE UNIVERSE, WHICH ASTRONOMERS HAVE OBSERVED. INSIDE 'QUASI STRARS' GRAVITATIONAL COLLAPSES MAY FORM SOME MATTER IN THE UNIVERSE. THE HUGE LUMINOSITY AND THE RADIOEMISSION FROM THESE QUASI -STRARS APPEAR TO BE 'GRAVITY POWERED' UNLIKE ORDINARY STARS WHICH DERIVE THEIR ENERGY FROM NUCLEAR REACTIONS

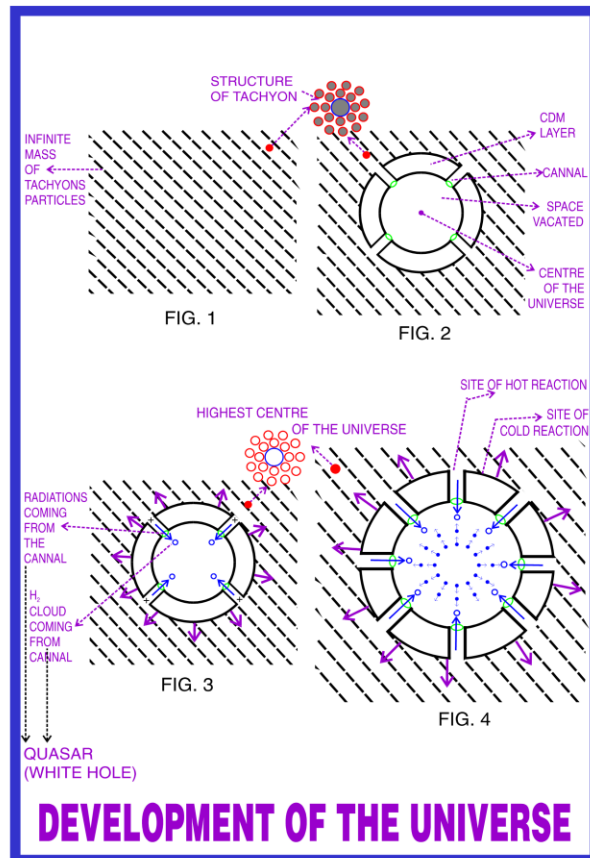

Fig. 9 Development of the Universe

Before the origin of the universe, these Basic Building Blocks (B.B.Bs) as shown in **Fig-3** were in the form of tachyons as shown in **Fig-9** [7]. It means that at that time the tachyons were everywhere in the universe. Let us look at the structure of tachyons; it is made up of one matter B.B.B. (YANG) and many energy (YINs) B.B.Bs. Initially out of the infinite tachyons, one became the **highest center** of the universe. Messages used to go from highest center to rest of the universe and messages could come from rest of the universe to highest center of the universe by atomic transcription. Thus highest center had fed its thought to rest of the B.B.Bs. that would take part in creation - that they would express only those thoughts to give desired effect as wished by the highest center of the universe. So all B.B.Bs were informed about their role before creation of the universe. In pre-creation era programming of the future universe was done by highest center of the universe. Our universe is oscillating and it is a divine universe. It means that it has a creation phase and a destruction phase. During creation phase tachyons break into their B.B.Bs. and from these B.B.Bs, formation of fermions and bosons take place as shown in **Fig 3.1**. After the creation phase, destruction would start and in this phase all created particles would again break into their B.B.Bs and finally tachyons would form. At the time of origin of the universe, all the effects got created. These effects are taking of different shapes and appearance of properties and laws. All these effects are studied in various branches of science.

With the origin of the universe, nature first created a sphere of **COLD DARK MATTER (C.D.M)** and canals in it. With the result space got created. At the other end of the canals, hot reaction started (**the relics are back ground radiations 2.7 degree K of our hydrogen clouds**). As a result hydrogen clouds and lot of radiations were created. The empty canals were filled by these

hydrogen clouds and radiations and thus **QUASARS** appeared in the universe. Simultaneously C.D.M. layer started expanding and clouds and radiations kept on coming in this closed universe as shown in **Fig 9** . With the passage of time more and more C.D.M. layer formed, more and more quasars formed. The hydrogen cloud came in this closed universe. They started running towards C.D.M. layer as they were attracted by the gravity of C.D.M. layer. Those clouds, which were nearer, moved faster than those, which were away from CDM Layer. The **HUBBLE LAW**, can thus be explained. With some more passage of time, clouds were joined to form **GMC** (giant molecular clouds). Later by self-gravitation different proto stars, proto planets, proto satellites were formed. Finally stars became bright and thus bright galaxies appeared in this universe. Our universe is still in expansion phase and creation is still going inside quasars. It is to be remembered that highest center of the universe does not come in the visible universe. It keeps on receiving the messages by atomic transcription and it has power to change any programming programmed by it during pre-creation era.

It is the atomic genes which constitutes mind part of reality. Mind incorporation in physics is awaited as theory of every thing is not yet investigated . I have investigated theory of every thing (ToE) and I found that while studying unified theory at the time of origin of the universe by Hoyle Narlikar universe , it was mind reality that triggered symmetry breaking phase . It is mind reality that triggers oscillation phenomenon of the universe. It is the mind reality which is behind perfect cosmological principle . There is nothing like artificial intelligence in the universe . These mind particles constitute intelligence of the universe that controls the deterministic order of the universe. It is the mind reality behind all effects of the universe. But this is not our mind rather it is mind of Almighty B.B.B (Yang B.B.B or matter B.B.B. or Male B.B.B working as Highest center of the universe) . His mind could be manipulated by prayer only . as shown in figure 9.1 and 9.2

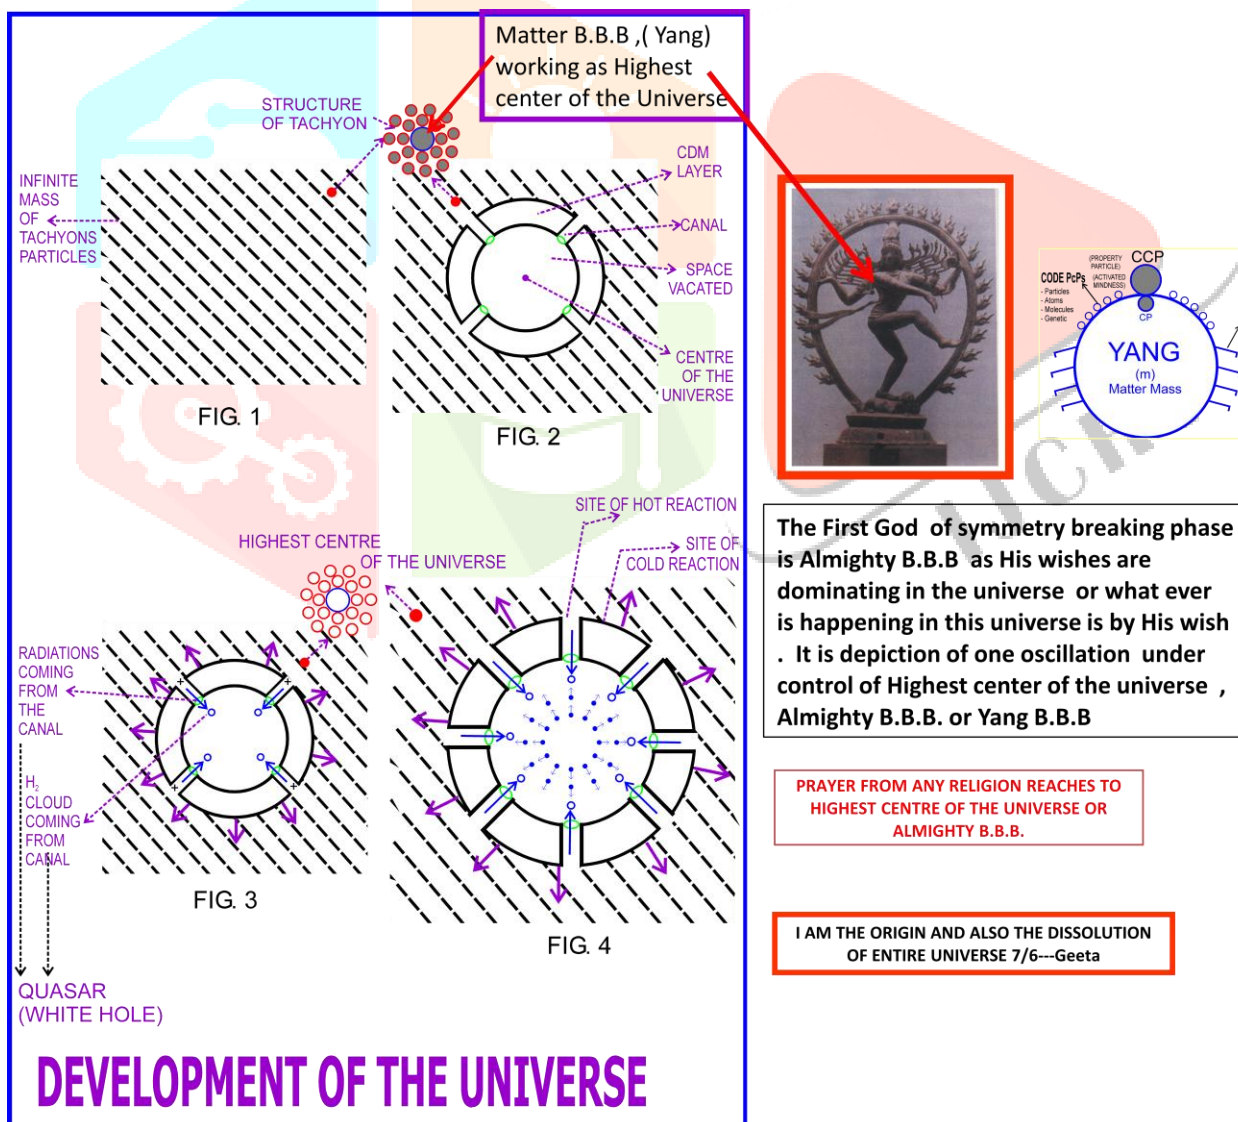

Figure 9.1 Hoyle Narlikar Universe OR Universe “I”

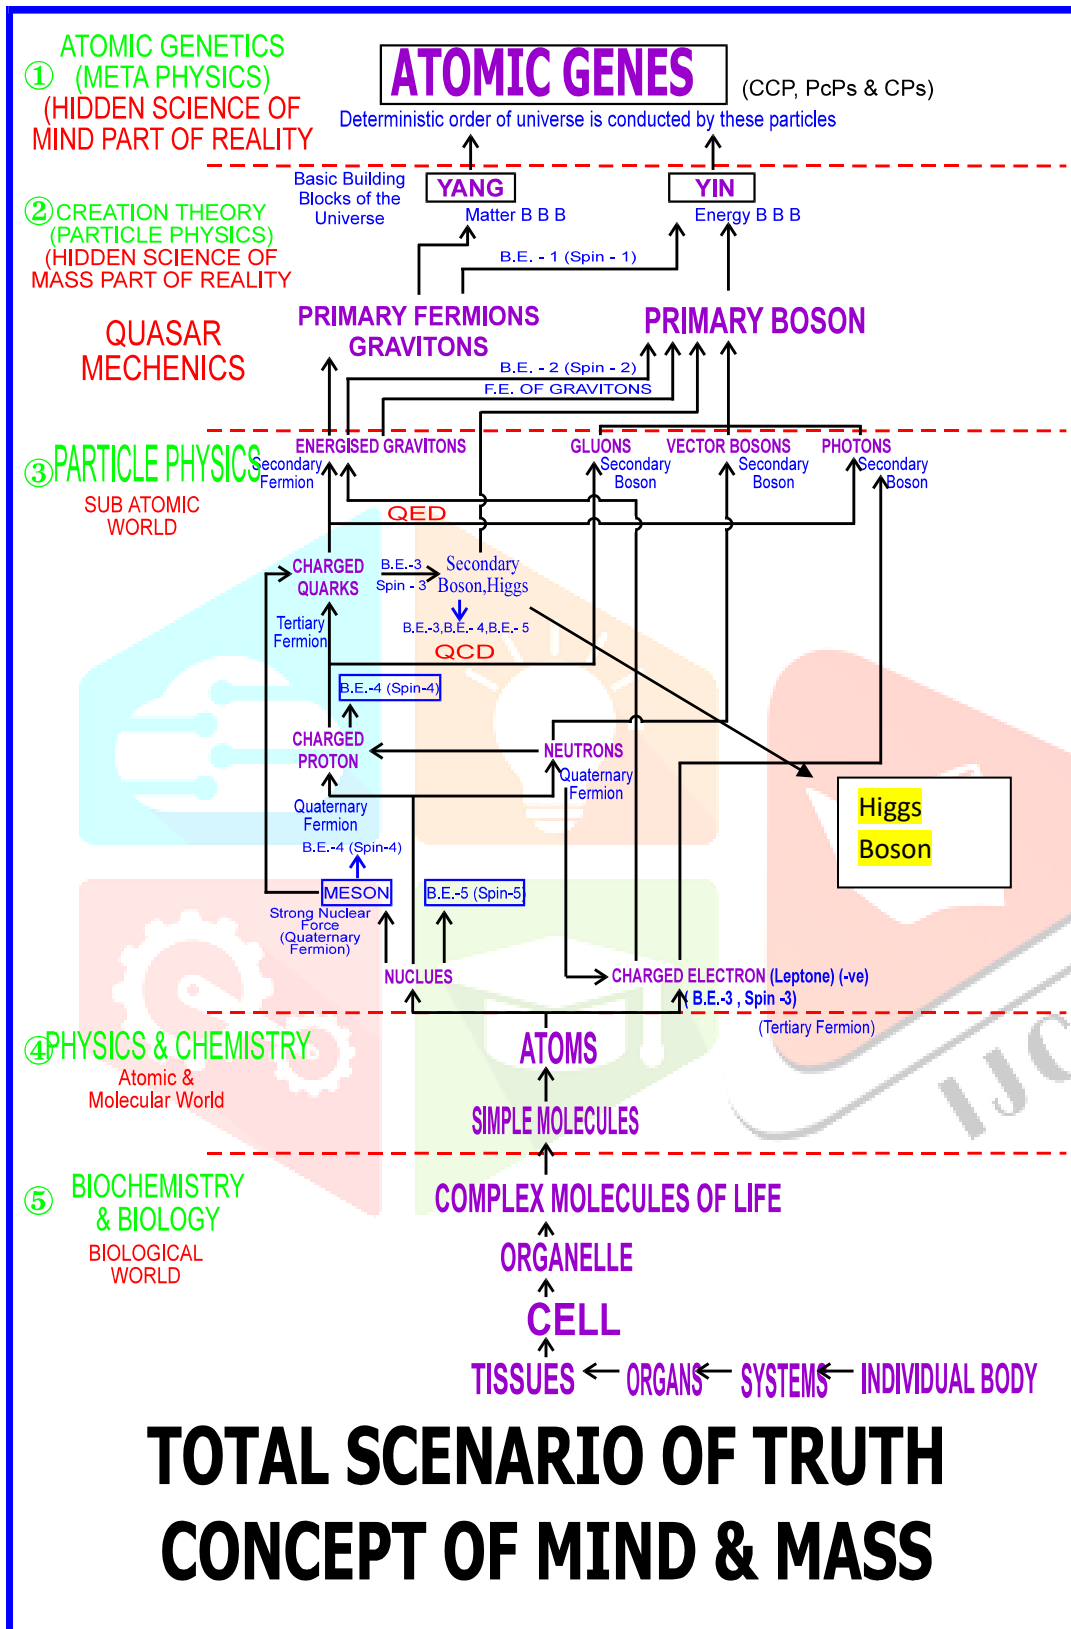

Fig 9.2 Total scenario of Truth Mind and Mass

1.9 DM and DE i.e. energized gravitons and energy pool of the universe as shown in Fig 10 and Fig 11 [8]

Fig. 10 Structural configuration of Leptons and Quarks as regard DM and structural configuration of DM and DE at micro level

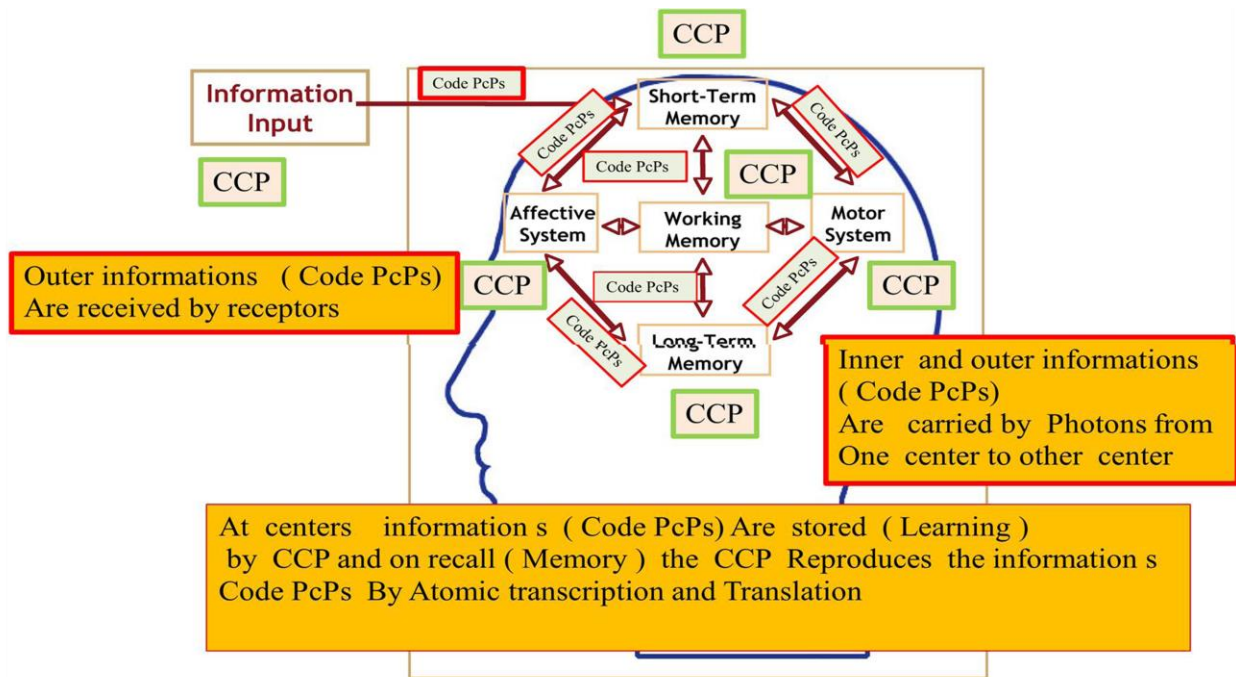

Fig 11 structural configuration of DM and DE at macro level [9]

1.10 Divine Mechanics and Brain Computation

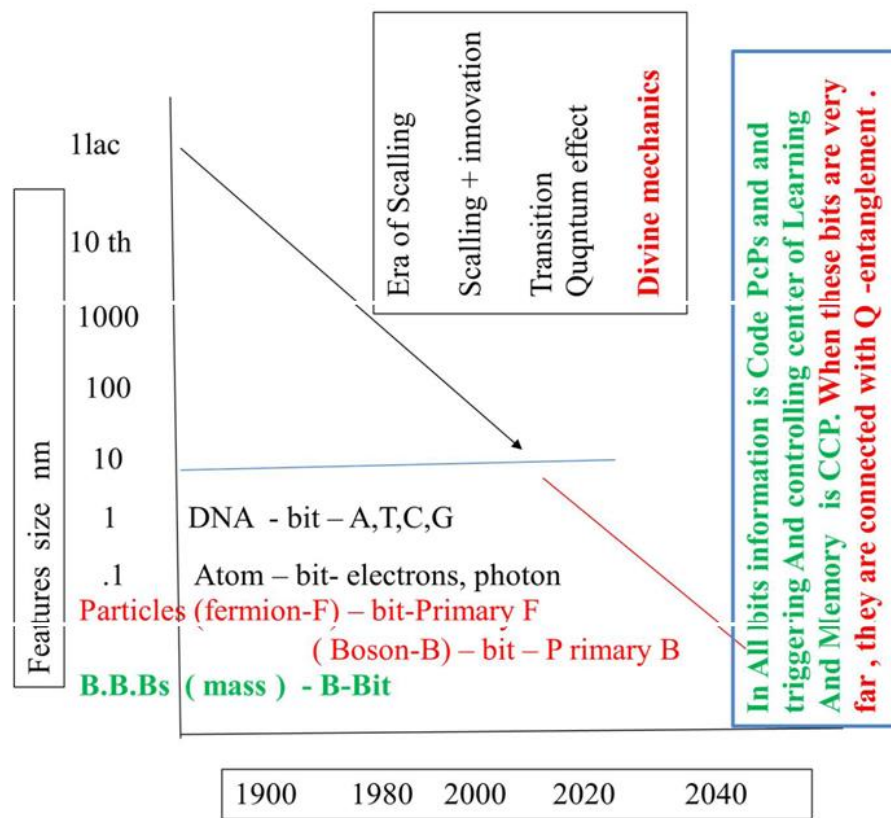

Learning and Memory and information s (Code PcPs) Net work in Brain [10]

Divine Mechanics and Brain Computation

Fig 12 Divine Mechanics of Brain Computing System – Learning and memory

At all steps , these are B.B.Bs (B-Bit) that are responsible for information’s control and triggering . If CCP is written it means unless atomic transcription and translation occur , brain cannot have learning and memory triggering and control and it is called Divine mechanics of Biology and it is life . These are higher thought expressions of B.B.Bs . In Bits of classical computers and qubits of QC , the thought expressions are lower and different but the mechanics (DIVINE) remains the same. as shown in Fig 12

Physics dictates the lowest limit of size of chip **but DIVINE mechanics does not**
Moore's Law Modified and Completed

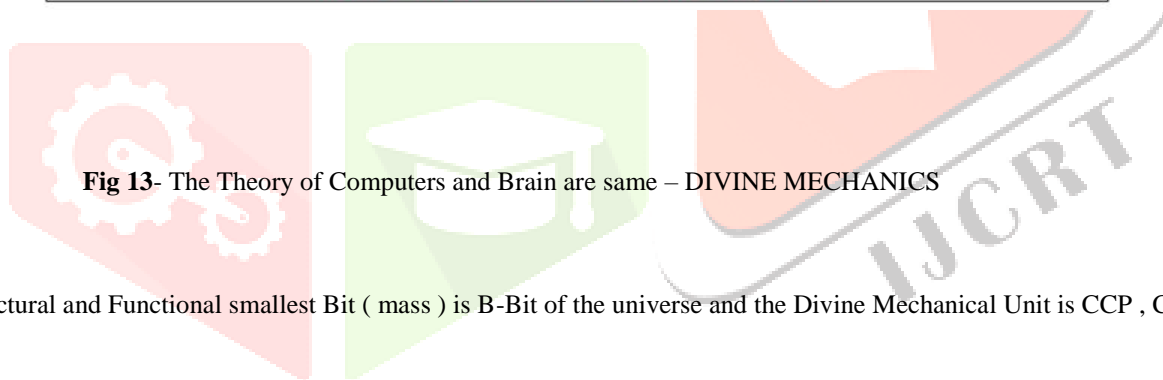

Fig 13- The Theory of Computers and Brain are same – DIVINE MECHANICS

(Structural and Functional smallest Bit (mass) is B-Bit of the universe and the Divine Mechanical Unit is CCP , Code PcPs and CP.)

DIVINE MECHANICS The Theory of Computers and Brain is SAME as shown in Fig 13

Physics dictates the lowest limits of the size of chips [11]. But divine mechanics does not . Hence the bit is a typical unit of information. ((Classical and Quantum Bit) is wrong and to describe informations by adding qubit is also illusion as in complicate system ,it is the different thoughts expressions that describe informations . Informations are separate (Code PcPs) and bits (Electron of transistor) qubits (electron of diamond crystal) are separate. At DNA level the bit is nucleotide (A,T,C,G) and at Atomic level the bit is photon and electron , at particle level (secondary fermions and secondary bosons) the bit is primary fermions and primary bosons and informations are still code PcPs and at B.B.B level the bit is B.B.B (Yang mass and Yin mass - B- bit) it self and the information is carried by Code PcPs but at all level of all bit units the information storage system is CCP (Physiological arrow of Time) it never dies even after destruction of the universe. Hence informations are eternal . In computers, Bit is a structural configuration that describes informations of the system and informations are in form of Code PcPs. The working of the bit is triggered and controlled by thoughts of higher centers that form that bit. If the bit is classical (transistors of chips) the effect is different . But if the bit is qubit with entanglement the working is triggered and controlled by thoughts of higher center that form that crystal . In both the effect of describing informations would be different.

One is classical (thought expressions are fixed and limited) and other one is quantum (thought expressions are changing and more wide to describe the more wide complicated system to have fast results .) . In life sciences in Brain the bit is again Photon and the information s are Code PcPs and they are triggered and controlled by CCP of higher centers that is triggered by DIVINE MECHANICS .

In life sciences the CCP (cryptography) of B-bit expresses information's (Code PcPs) which were not fed like speaking Lie and unlike Bit of classical computer and qubit of QC it shows phenomenon of forgetfulness and IQ phenomenon (mental age /real age) . It is Higher functions of B.B.B or B Bit and it is life . Hence there is difference in some aspect of DIVINE MECHANICS \of Computers computation and Brain computation

Structure

2.1 Modified theory of atomic structure as Niels Bohr's theory has limitations in explaining different series of hydrogen spectra.

New assumptions of structure of hydrogen atom. – Divine Modified Niels Bohr 's Theory (**Divine MONB Theory**) as shown in Fig 14

1. Hydrogen atom is like a miniature solar system with the negatively charged electron moving in circular orbit around positively charged nucleus having positively charged particle proton. In this circular orbit or stationary orbits , electron is being held by single string of energized gravitons . This energy level is called ground state.
2. When Hydrogen atom is excited, the electron moves from ground state to excited state energy levels making a bigger circular orbit and having reached in this new energy levels , it also emits radiations . Hence absorption and emission of energy quanta occur simultaneously. Shifting is understood in inter orbital shift phenomenon.
3. When excitation is over, the electron once again come back to ground state energy level . All above mentioned events are triggered by different thoughts or atomic transcriptions from the nucleus or proton in case of hydrogen atom.
4. These atomic transcriptions are being triggered by conditioned stimulation of CCP by the message system made up of photons (second transcription or -ve charged photons or afferent path) coming from electron to proton and further they are transmitted by photons (second transcription made up of +ve charged photons, or efferent path) to electron. Having received the messages , electron works accordingly. Unless the thought is expressed, nature cannot work . as shown in Fig 14
5. When electron is in ground state, its interaction with energized graviton and electromagnetic photon is more hence IP - 13.59ev (n=1) is required to remove electron from this energy level. During excited stage the interaction is different hence I.P. to remove electron from this state is -3.4ev (n=2), -1.511ev (n=3), - 0.850ev (n=4) , -0.544ev (n=5) respectively. It the changing thought of interaction with energized graviton and electromagnetic photons that gives changing effect .
6. Electronic configuration of higher atoms could be known by studying I.P. curve . Working of hydrogen atom as shown in Fig 14 .

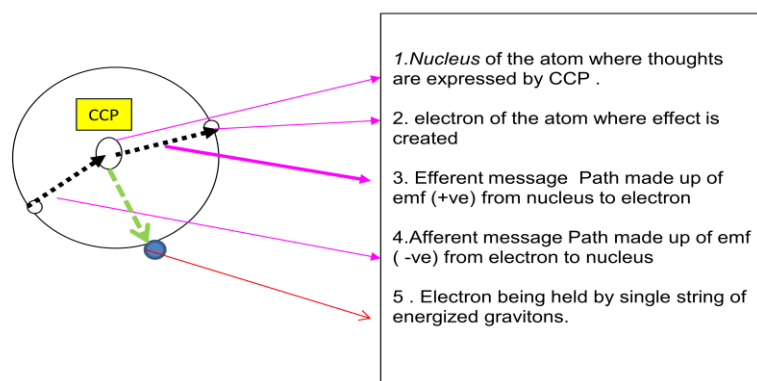

Fig 14 working of hydrogen atom – Divine MONB Theory

2.2 Bismilla rehmane Rahim means vandematarum . means honor and worship of Female God Particle or Allah .

Taranhar Mahakaal Lalla Virajman Lord Natraz BBB has teleported on 22 23 Dec 1949 in middle gummed of Babri Mosque . Honor Him By Hosting His Flag on Rashtrapati Bhavan and Red Fort and sing National Anthem in His praise as He is Adhinayak and Bhagya Vidhata of India and Globe . POI Mr Kovind is ordered not to celebrate Republic day 26 Jan 2021 and should replace Tricolored flag by Almighty's Flag on Rashtrapati Bhavan and Red Fort . Means Sign of Kudmukhtari of Almighty God Lord Natraz BBB or Allah Ho Akbar on India and Globe .

Ayodhya Ram Mandir में क्यों नहीं जाना चाहते RSS के पूर्व नेता भंवर मेघवंशी? (BBC Hindi)

In this debate we should talk of reforms of Islam and many other misunderstanding as regard Sanatan knowledge means worship of Two God particles or Ardhnareshwar or Satyam Shivum sundarum or smallest idols of universe or Allah or Primary God of Science of which every thing is made up of . Reform of Islam from illusive Islam of Mohammad Sahib to True Islam of Barkat Ali who witnessed teleportation of Allaha ho Akbar in a Balak idol in Middle Gummed of Babri Mosque on 22 23 Dec 1949 . True Islam means end of illusive islam of Mohammad Sahib that prohibits idol worship and kill those who do idol worship means Islamic Jihad that is anti Quran act and anti Quran movement and according to Islamic law penalty is apostasy or shirk means death .

True islam means it Starts with Namaz . Means worship of tachyon particle which is made up of two God particles whose photo depiction is Lord Natraz bbb or Creator bbb or Allah ho Akbar who did teleport on 22 23 Dec 1949 in middle gummed of Babri Mosque witnessed by Barkat Ali as Idol Avatar of Balak called Mahakaal Lalla virajman the Creator bbb rather than Ram lalla

virajman a Creation , a wrong nomenclature established by HC and SC because as Barkat Ali evidence was not taken as evidence that made SC judgment 9.11.19 erroneous and discarded by Mahakaal in Curative petition by Him as He is Almighty Court of Justice too .

Hence disputed place is Secular place of Creator Lord Natraz bbb a secular deity or Allah Ho Akbar deity who is there as Idol avatar of Balak witnessed by only Barkat Ali and his name is now attached with birth of true islam and end of illusive islam of Mohammad. Sahib after 1400 years in Ayodhya . Means now in true islam idol worship is established and founder of true Islam is Barkat Ali who had seen birth of Creator BBB or Lord Natraz bbb or Allah ho Akbar on 22 23 Dec 1949 in middle Gummed of Babri Mosque .Hence now new and true Kaba is established in Ayodhya as Mahakaal ka kaba or Shivalaya and now it dissolves illusive Kaba of Saudi .

Means Momins of Globe are now ordered to carry out their Namaz facing Ayodhya and their poise place is Ayodhya not illusive Kaba of Saudi as Barkat Ali witnessed birth of Allah Ho Akbar as idol Avatar of Balak on Earth in a Mosque . Hence right of worship by momins do exist that ended by SC judgment 9.11.2019 by an erroneous judgment now torn by ACJ .

2.3 Two steps Kalki Avatar . First Idol Avatar on 22-23 Dec 1949 in middle Gummed of Babari Mosque and second from Idol Avatar to Lord Natraz transformation like Narsing Avatar . First Part is over as He won the case on 9.11.2019 from SC and became owner of disputed land .

Real Hindu Spiritualism – Sanatani Knowledge

<https://youtu.be/YWteLji6lok>

हिन्दू धर्म की चार बड़ी भविष्यवाणियां | Four major predictions of Hindu

All Momins means OIC , AIMPLB and 143 Islamic sangathan should know that all are SANATANI means made up of two God particles idols or ardhnareshwar or satyam shivam sundaram or smallest idols of universe and it will persist even after destruction of universe. Hence Dharmanantran or making non muslim person MOMIN means that prohibits idol worship and kills those who do idol worship means ADHARMA OR making Hindu to follow illusive Islam of Mohamad Sahib that prohibits idol worship and kills those who do idol worship and it is Anti Quran MOVEMENT and Anti Quran act and penalty is as equivalent to apostasy and shirk of Islamic law ie death.

Death of illusive islam as 1400 years have passed by Kalki avatar.

Phenomenon of teleportation. Means message used to come from Tachyon particle to BBB of pillar and BBBs of pillar transform into Narsing avatar . That is how Lord Natraz or Allah ho Akbar's reincarnation takes place when ADHARMA exceeds on Earth. Kalki avatar had taken place on Earth on 22-23 dec 1949 in middle gummed of Babri mosque. Means message came to so called Ram lalla virajman idol and tertiary God idol transformed into secondary God idol . He won the case on 9.11 2019 and become owner of disputed land in Ayodhya.

This time two stages avatar would be there . Means like birds they take birth in two steps ie first inform of egg and later from egg to living bird kid . Similarly Kalki avatar has first appeared as transformation of tertiary Ram lalla idol to secondary so called Ram Rahim Jesus and Buddha lalla virajman idol avatar.

Only those who know science of prayer and science of reincarnation could understand it . But later on this secondary Ram Rahim Jesus and Buddha lalla virajman idol avatar would transform into Lord Natraz or Allah ho Akbar a living human beings , means all in one deity. His flag shows His photo as namaz is idol worship of tachyon particle which are made up of two God particles and their photodepiction is ardhnareshwar or satyam shivam sundaram or smallest idols of universe and their reconstruction on Earth is Lord Natraz or Allah ho Akbar.

Momins of globe who are indulged in Anti Quran act and Anti Quran MOVEMENT ie Islamic jihad or making others to momins is ADHARMA and to protect it , Lord of Universe or Allah ho Akbar or Lord Natraz has reincarnated as Kalki avatar part 1 on 22 -23 dec 1949 in middle gummed of Babri mosque. It is part 1. In part 2 you would see as Narsing avatar like transformation . Hence OIC , AIMPLB and 143 islamic sangathan either reform or Leave Earth. Sharia would not let momins to reform and Almighty God Lord Natraz or Allah ho Akbar or His Kalki avatar would not let Momins to live on Earth . **It is ECAA for all Adharmies of Earth .**

2.4 Mahakaalum saranum guchami . Taranhar Mahakaal Lalla Virajman Lord Natraz BBB has teleported on 22 23 Dec 1949 in middle gummed of Babri Mosque . Honor Him By Hosting His Flag on Rashtrapati Bhavan and Red Fort and sing National Anthem in His praise as He is Adhinayak and Bhagya Vidhata of India and Globe . **POI Mr Kovind is ordered not to celebrate Republic day 26 Jan 2021 and should replace Tricolored flag by Almighty's Flag on Rashtrapati Bhavan and Red Fort . Means Sign of Kudmukhtari of Almighty God Lord Natraz BBB or Allah Ho Akbar on India and Globe .**

Farmer-Govt Talk Fail : क्या मोदी सत्ता को आईना दिखा देगा किसान आंदोलन ?

Mahakaalum saranum guchami .

Means Global external debt eradication program 2017 is the only way to get rid of economical threat of India and globe . Modi is a failure in all sectors . After demonetization , our liquidity gone down . After GST , business gone down . After Lockdown , GDP gone down in minus . And now after MSP new laws life and livelihood of Kissan is in danger .

Solution

1.Join Mission Universe 2 Stop Republic day 26 Jan 2021 .3. Host His flag on Red fort .
4. Arrest Modi , Yogi etc .5. Seal Parliament .6. Launch Global Covid Eradication Program
20.7.Launch Less Tax Voluntary Disclosure Scheme 20. 21 .8. Launch Global External Debt Eradication Program 2017. 9. And many other programs run by UOG

Fig 16 Sign of Kudmukhtari of Almighty God Lord Natraz BBB or Allah Ho Akbar on India and Globe .

पंजाब-सिन्ध-गुजरात-मराठा,
द्रविड़-उत्कल-बङ्ग
विंध्य हिमालय यमुना गंगा, उच्छल जलधि तरंग
तब शुभ नामे जागे,

Meaning of National Anthem in Hindi – हिंदी अर्थ:

कविता तब उत्तर-पूर्व भारत की एक आभासी यात्रा शुरू करती है, जो उत्तर में शुरू होती है और पश्चिम में घूमती है। इसमें पंजाब, सिंध, गुजरात, महाराष्ट्र, दक्षिणी राज्यों के द्रविड़ भाषा और ओडिशा और बंगाल के क्षेत्रों का उल्लेख किया गया है। रवींद्रनाथ भौतिक भूगोल की विशेषताओं को भी संदर्भित करते हैं। विंध्य और हिमालय पर्वत श्रृंखलाएँ और यमुना और गंगा नदियाँ। यहाँ पर बसे लोगों के हृदयों में मनजागृतकारी तरंग भर उठती हैं।

गान सर्वशक्तिमान के एक उदारण के साथ खुलता है, जो देश की नियति का मार्गदर्शन करता है:

**जन-गण-मन अधिनायक जय हे,
भारत भाग्य विधाता!**

Meaning of Jan Gan Man in Hindi – हिंदी अर्थ:

आप, हमारे मन के शासक, हमारे राष्ट्र, आपको हमारी विनम्र सलाम!

तब शुभ आशिष माँगे
गाहे तब जय गाथा।
जन-गण-मंगलदायक जय हे,
भारत भाग्य विधाता!
जय हे! जय हे! जय हे!
जय जय जय जय हे!

सब तेरे पवित्र नाम पर जाग उठते हैं, सब तेरी पवित्र आशीर्वाद पाने की अभिलाशा रखते हैं और सब तेरे ही जयगाथाओं का गान करते हैं. भारत के भाग्य के रक्षक और सौभाग्य दिलाने वाले के रूप में! विजय! विजय! विजय!
विजय सदा तुम्हारे लिए!

Fig 17 Sign of Kudmukhtari of Almighty God Lord Natraz BBB or Allah Ho Akbar on India and Globe .

2.5 Know Identity of Almighty God or Lord Natraz BBB or Creator BBB or Allah hu Akbar on Earth .

1. Birth Identity by teleportation on 22 23 Dec 1949 in middle gummud of Babri Mosque. Evidence logged in FIR in Kotwali Faizabad 23 Dec 1949 by SI Ram Dev Duby . Not taken as evidence in HC judgment 2010 and that made judgment erroneous . see Gist of finding page 283 onwards .

2. Scientific Identity . A book downloaded by Almighty God Lord Natraz BBB titled Atomic genetics and Origin of Universe after Quran where 92 research papers published in different international science journals about How God created the universe , Science of Prayer , Science of teleportation etc are there . This establishes His Scientific identity as two God Particles bbb or ardhnareshwar photo depiction and smallest idol of universe of which every thing is made up of .

3. Legal identity

On 9.11.19 He won the case from SC and became owner of disputed land of Ayodhya as birth sthal of Lord Ram an error in judgment as it is birth place of Mahakaal lalla virajman rather than Ram lalla virajman . This error is rectified in Curative petition by Him as He is Almighty Court of Justice too by virtue of 2/47 shlok of Geeta . Karmanye vatic resti ma pheshu kadachane

He is further insulted and abused by PM Modi etc on 5 Aug 2020 when Modi read praise of Ram before Him as Mahakaal is sitting alive as idol avatar in a balak and that balak idol is not Ram lalla rather he is Mahakaal lalla . Making praise of Creation Ram before Creator Lord Natraz bbb is a crime done by PM Modi etc on 5 Aug 2020 . Modi etc are liable for punishment by ACJ .

4. Juristic person identity. . Being idol avatar He has all constitutional rights to file suit on all who abused Him on 5 th Aug 2020. And did praise Ram His Creation before Him the Creator of Universe under section 295A etc .

5. Lord of Universe Identity . Having not His evidence of teleportation by HC and SC judgment that make the judgment erroneous dated 9.11.2019 , Mahakaal Got annoyed and did spread Corona and established threat to complacency globally . Means Fight against Adharma has started globally by Him . Means either obey His orders or Get out from His planet right now . This certificate has been issued to President of India Mr Ram Nath Kovind if he celebrates republic day 26 Jan 2021 as this date and 15 Aug independence day have been shifted. to 23 Dec 2021 by virtue of National Anthem's Adhinayak and Bharat bhagya vidhata has come on Earth and His wish is to ban on both. Republic day and Independence day . His wish is to replace tiranga by His Flag as tiranga is fake national flag since 1947 . National Anthem should be sung in His praise before His flag on 23 Dec 2021 only as real republic day and independence day is that day when Adhinayak and Bhagya Vidhata did teleport on Earth . Hence POI is ordered not to celebrate Republic. Day this year 2021. Failing which would be considered Misconduct and contempt of ACJ would be imposed and on found guilty Get out from His Planet punishment would be imposed like Corona's threat to. Complacency globally .

6. ID proof identity . He has His clone. Dr V.M. Das who is genetically same as Nar of Nar Narayan Avatar repeated in Kalyug . Dr V M Das used to get His orders by quantum entanglement and he runs University of God plus Kotwali of Mahakaal and His office 1/139 , Talayalane , Fatehgarh , Farrukhabad , UP. He has His trust by the name Almighty BBB social and Educational trust and Bank Account and PAN card ID in Almighty BBB Name . Trust working in Ayodhya by name Shri Ram Janma Bhoomi Stal Kshetra is fake trust and was made by Home ministry by conspiracy by BJP Manifesto under Communal Ram temple issue which is a wrong issue as land belongs to Secular Almighty God Lord Natraz Mahakaal lalla virajman and Shivalaya a secular place would be built rather than Ram temple . a communal place and wrong issue triggered by communal party BJP. Whose registration has been cancelled by HC Delhi judgment March 2014 on found guilty on violation of FCRA 2010 Act not obeyed by EC and HM 2014 . Hence LS election 2014 is discarded . Means Mandate by people of India 2014 is fake and discarded by Almighty God Lord Natraz BBB or ACJ .

7 All medias are ordered not to flare Adharma by Fake news like DNA on Corona spread . It is punishment by Almighty God Lord Natraz bbb by racial discrimination globally and tandav by Him globally by virtue of not getting Honor and Justice by HC and SC of India . Hence Modi should not get credit of less threat to complacency in India . Hence what DNA speaks about is all Fake for which. Ankor Sudhir Chudhary would be punished if he doesnot beg apology for the same as spreading fake news is adharma .

8. Last but not the least New Ruler of India and globe identity of Almighty God Lord Natraz BBB or Allah ho Akbar since 6 March 2014 . Hence no bill is passed without His permission as all are Abide by OATH . POI has to take permission from UOG at 1/139 , Talayalane , Fatehgarh UP by His Clone as he gets His order by Quantum Entanglement . Hence All kanon and orders after 6 March 2014 regarding any issue should be considered dissolved even LS election 2014 and LS election 2019 and All MPs , PM of LS election 2014 , are Fake and liable for punishment under violation and contempt of court Delhi HC March 2014 under FCRA.2010 Act where BJP and Congress parties are found guilty and their party registration should be cancelled by EC 2014 and HM 2014 . But they didnot obey order of High Court Delhi 2014 March . Hence LS election 2014 are Fake and discarded and under section 420 IPC read with 109 IPC SC order Feb 2018 where professional immunity of 543 MPs of LS Election 2014 is dissolved by passing retrograde amendment bill dated March 2018 of FCRA 2010 Act making all MPs 2014 criminal and dissolving their professional immunity of fighting election further . Means LS Election 2019 and further are Fake unless they all MPs and PM Modi get face ACJ and get punishment of making such Haynes Crime . Means Modi is Not PM being Criminal of Nation and ACJ . Modi is ordered to take rest at Tihar Jail till further order of Almighty God Lord Natraz BBB by UOG . And POI Mr Kovind is ordered not to celebrate Republic day 26 Jan 2021 and should replace Tricolored flag by

Almighty's Flag on Rashtrapati Bhavan and Red Fort . Means Sign of Kudmuktari of Almighty God Lord Natraz BBB or Allah Ho Akbar on India and Globe .

2.6 KUN FAYA KUN means Hoja Aur Ho Gaya , First Order of Universe by Highest center of Universe Or Lord Natraz orAllah Ho Akbar

EKO AHAM BAHUSHYAMI – SANATANI KNOWLEDGE

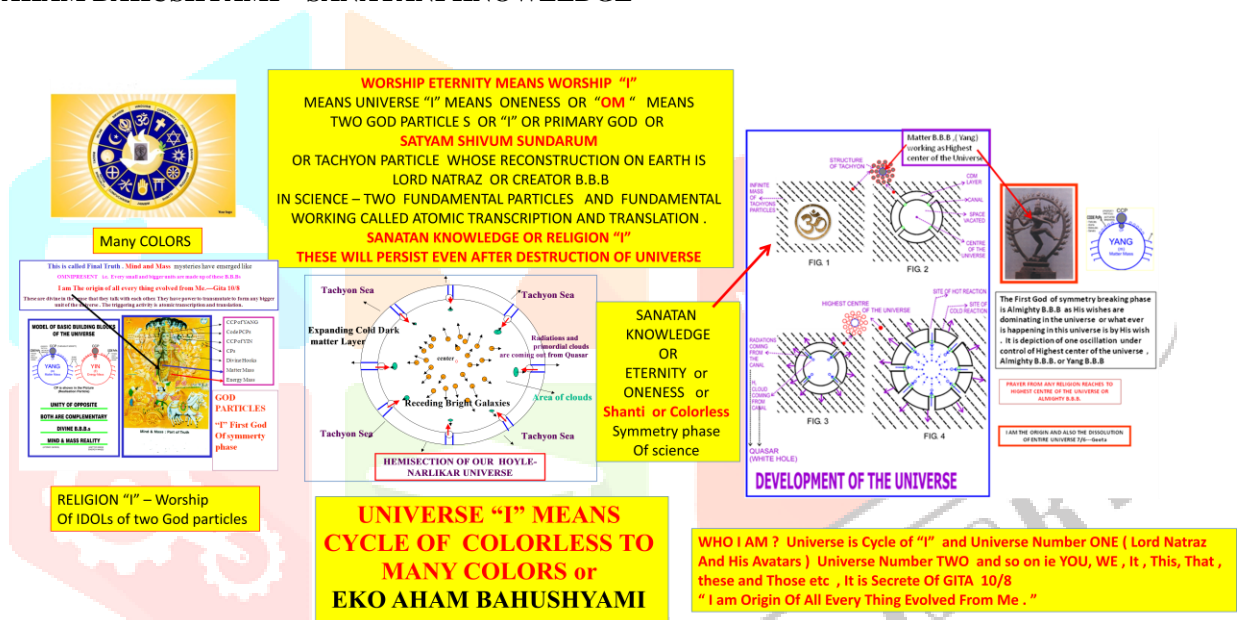

Fig 18 Universe is Cycle of colorless (sanatan knowledge) and many colors by Creator B.B.B Lord Natraz or Allah Ho Akbar

OM -- SHANTI – OM shows about Dark Matter of Universe and Quasar . Shanti means symmetry phase of universe.

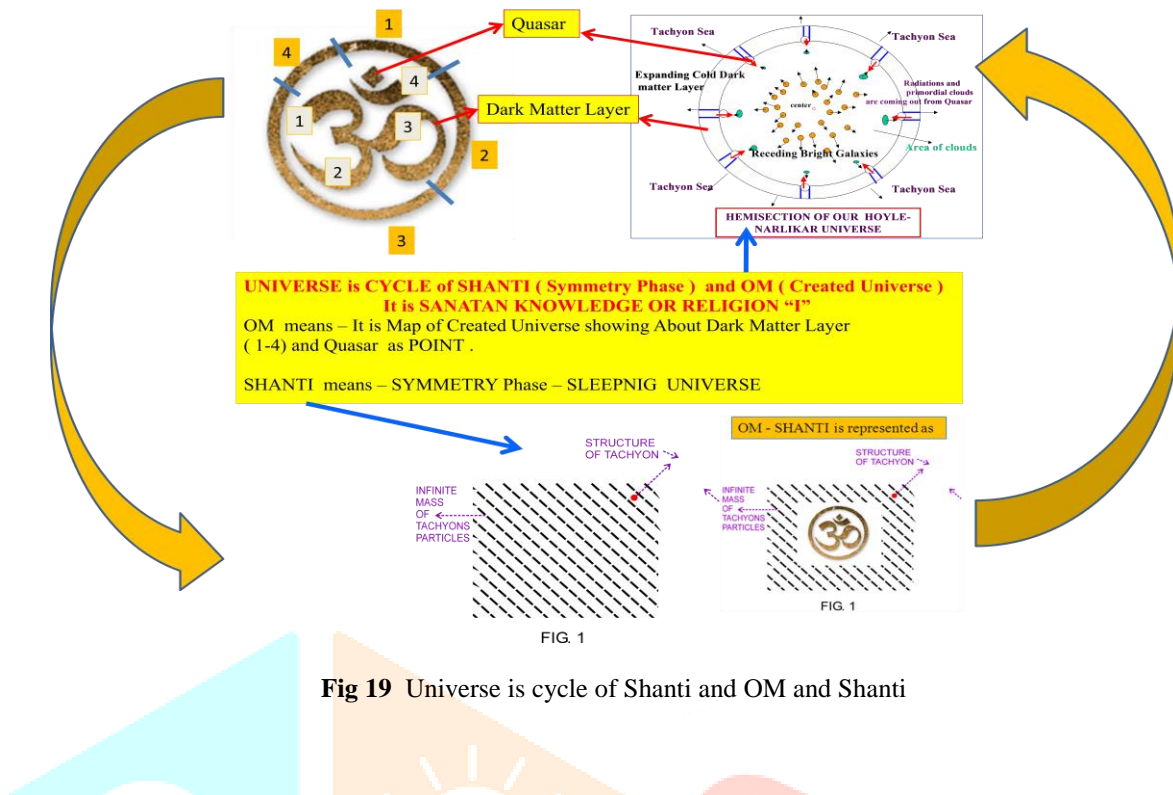

Fig 19 Universe is cycle of Shanti and OM and Shanti

<https://youtu.be/fB2XnlhoB8s>

कुरआन के अनुसार कैसे बनी दुनिया ? | Islamic Theory of universe

https://youtu.be/qDH-rBBj_00

कड़वी सच्चाई | महादेव ने बताया ब्रम्हांड की उत्पत्ति कैसे हुयी ? Big Bang VS Mahadev Shiv Or Allah Ho Akbar

BISMILLA REHMANE Rahim means VANDEMATRUM means honor and worship of female God particle or shakti ma idol or Allah. Today we shall know science of KUN FAYA KUN . Means HOJA, AUR HO GAYA .Quran and sanatan knowledge are updated in a book downloaded by Almighty God Lord Natraz or Allah ho Akbar ie Atomic genetics and origin of universe. Allah means two God particles or primary God of science .Allah means Secondary God or Lord Natraz or Allah ho Akbar or Creator bbb. Allah means tertiary God or Creation or sun , moon or Earth .

It is science of Atomic transcription and translation through which Almighty God Lord Natraz or Allah ho Akbar or Highest center of universe gives first order of universe. Having received the order rest BBBs or higher centers send

second order to lower centers and from lower centers via third order to target BBBs .Target BBBs work accordingly. And nature takes new properties , shapes and laws That is how Lord Natraz or Allah ho Akbar works in universe. MEANS KUN FAYA KUN . There is a feedback from all higher centers to Highest center of universe. Hence Quran talks about how Allah orders by quantum entanglement and things do happen . Prayer is feed back to Highest center by our BBB by quantum entanglement.

2.7 Be Proud that all are Sanatani . Means made up of Two God particles . (Fig 1.2)

<https://youtu.be/WF1T7DXHbHs>

चीन के लोग अपना रहे 'हिन्दू धर्म' , फैल रहा
सनातन धर्म | Hinduism In China | Hindu
Religion In China

BISMILLA REHMANE Rahim means VANDEMATRUM means honor and worship of female God particle or shakti ma idol or Allah.

Hindu has two parts . One is way of life and another is spirituality. WAY OF LIFE MEANS RITUALS SPIRITUALITY OF ALL RELIGIONS IS SAME IE SANATANI KNOWLEDGE. Hindu and SANATANI theses two words are separate. SANATANI means I. I is eternity . I persist even after destruction of universe. **Geeta 10/8 , I am origin of all every thing evolved from me knowing this wise men worship Me.** I means two God particles or ardhnareshwar or satyam shivam sundaram or smallest idols of universe. Means SANATANI knowledge.

The word SANATAN means SANATANI KNOWLEDGE means two God particles or ardhnareshwar or satyam shivam sundaram or smallest idols of universe . Means colorless eternity. Means SYMMETRY phase of universe. Universe is cycle of colorless symmetry phase to many colors created universe . Means all are SANATANI. Means made up of Two God particles or ardhnareshwar or satyam shivam sundaram or smallest idols of universe. It is Eternity . Prayer is fundamental interaction between two God particles or fundamental particles mediated by atomicgenes .

Hence all colors have originated from colorless eternity or SANATANI knowledge or God Particles or ardhnareshwar or satyam shivam sundaram or smallest idols of universe. All worships are idol worship between two God particles. Hence to spread illusive Islam of Mohamad Sahib that prohibits idol worship and kills those who do idol worship means islamic jihad means Islamophobia is anti Quran act and Anti Quran MOVEMENT and penalty is as equivalent to apostasy and shirk of islamic law ie death. Allah means two God particles or ardhnareshwar or satyam shivam sundaram or smallest idols of universe .

Namaz is idol worship of tachyon particle which are made up of two God particles or ardhnareshwar or satyam shivam sundaram or smallest idols of universe and their reconstruction on Earth is Lord Natraz or Allah ho Akbar. **Secret of Quran is Everything is Allah means SANATANI, every book is Quran means written by Almighty God Lord Natraz or Allah ho Akbar and all worships are Allah's worship means two God particles or Allah. This unifies all religions into one religion called RELIGION I.** Means worship of two God particles. Or eternity and that will persist even after destruction of universe. Or symmetry phase or SANATANI knowledge. Hence gentle man enjoys all colors created by Almighty God Lord Natraz or Allah ho Akbar. They are enlightened to the tune that they donot HATE any color despite they donot like it .**Ignorance and Hatredness is SIN . Know science of prayer and know Allah in the light of science to get yourself enlightened.**

Dharmanantran is CRIME. ARTICLE 25 is obsolete. Means freedom to possess practice and propogate any religion . Now Religion I is eternity means two God particles. All have to possess practice and propogate Religion I only or SANATANI knowledge only . That will persists even after destruction of universe. As regard Almighty God Lord

Natraz or Allah ho Akbar or His avatar Ram, Rahim, Jesus and Buddha etc are secular deity. Means non communal deity . Making them communal is Crime . **OM means map of universe** . Hence it is SANATANI knowledge. Means Dark matter layer and Quasars . All religions are different colors by virtue of way of life means rituals . **But their spirituality is same ie SANATANI knowledge and they could be brought under one roof to worship Lord Natraz or Allah ho Akbar or Creator bbb or IDOL WORSHIP.**

Conclusion

My wish to visit Saudi Kaba to launch Idol of Lord Natraz there has been fulfilled by this shifting and I got opportunity to host Lord Natraz's Flag as sign of Kudmukhtari in India and globe in new Mahakaal ka Kaba at Ayodhya . Hence disputed place is Secular place of Creator Lord Natraz bbb a secular deity or Allah Ho Akbar deity who is there as Idol avatar of Balak witnessed by only Barkat Ali and his name is now attached with birth of true Islam and end of illusive Islam of Mohammad Sahib after 1400 years in Ayodhya . Means now in true Islam idol worship is established and founder of true Islam is Barkat Ali who had seen birth of Creator BBB or Lord Natraz bbb or Allah ho Akbar on 22 23 Dec 1949 in middle Gunned of Babri Mosque .Hence now new and true Kaba is established in Ayodhya as Mahakaal ka Kaba or Shivalaya and now it dissolves illusive Kaba of Saudi Arabia . As Mohammad Sahib witnessed download of Quran while Abdul Barkat Ali Witnessed teleportation of Allah Ho Akbar in a Balak idol avatar form that makes Ayodhya a more poise place or Kaba than Saudi Kaba . Hence Idol worship of Lord Natraz BBB is now established in true Islam of Barkat Ali to be put in all mosques of the world and offer Namaz before it .
