Abstract

Almighty BBB God's Statements as Allaha Or Lord Natraz Or Mahakal Lalla Virajman (Being Juristic Person In Form Of 94 Published Research Papers Through His Clone / Friend By Quantum Entanglement) Are Admissible As Evidence (Geeta Chapter 4 / Vs 5) First Time In Indian Court Through PIL . Hitherto It is Believed That Many Spiritual Books Are Words Of Almighty God . This Time Lord Natraz BBB , The Creator Of Universe Not Only Teleported On 22 -23 Dec 1949 On Earth Witnessed By Barkat Ali's Statements Registered Before Magistrate In Feb 1950 But Also Science Of Teleportation Would Be Told By Him To Confirm His Manifestation (As Witness Allaha Ho Akbar [85] [26]) As Balak Idol Avatar In Ayodhya .

Manifestation Of Almighty God Lord Natraz BBB *(Basic Building Block) or Allaha Ho Akbar [26] as Mahakal Lalla Virajman did take place on 22 23 Dec 1949 in middle gumm of Babri Mosque by Teleportation and Oscillation property of God particles or Primary God of Science or Allaha as Balak Idol Avatar. This event is witnessed by Constable on duty Abdul Barkat Ali when he returned on duty after 1.30 AM after Constable No 2 (HC order dated 30 Sept 2010 as regard Incidence on 22-23 Dec 1949 page 23 -24 (Incident of 23.12.1949:) Hansraj / Sher Singh duty was over . This event was registered in FIR dated 23 Dec 1949 by SI Ram Deov Duby and also registered before magistrate when charge sheet was placed on 1 April 1950 in the court as Direct evidence of possession or Real Birth Place under Title Suit of Allaha Ho Akbar or Lord Natraz BBB or Mahakal lalla Virajman . This Direct evidence was neglected or not taken as evidence in Judgment of HC Lucknow Bench dated R.S. No 236/1989 rather Justice (Judgment delivered by) Hon'ble Dharam Veer Sharma, J did mention that on page 14 to 16 Plaintiff did claim about why disputed structure could not be Mosque and their last claim is found erroneous ie " Neither ALLAH nor any person on his behalf had any possession over any part of the premises at any time whatsoever, not to speak of any adverse possession. ". This makes the entire Judgment erroneous as it lacks Direct evidence of Barkat Ali about Manifestation of Allah [26] [85] or Lord Natraz BBB or Mahakal Lalla Virajman since 22 23 Dec 1949 in middle gumm of Babri Mosque.

Introduction [1-94]

1.1 OATH IN COURTS is a legal compliance by Courts to a person by putting hand on Spiritual Books like Gita , Bible and Quran before Court that admits that Court does believe that Almighty God Lord Natraz BBB is there in the Universe Who wrote these Books (Geeta Ch 4 / Vs 5). Now He is filing PIL as He did not get Honor and Justice from any Court of India since His birth (Teleportation and oscillation) on Earth on 22 - 23 Dec 1949 as Mahakal Lalla Virajman in middle gummed of Babri Mosque witnessed by Hawaldar on duty Abdul Barkat Ali in many legal records not taken as Eye witness in any civil trial of title suits [85] {26} . That makes all civil trials of title suits erroneous and now referred again as PIL in Court of law at Allahabad HC to record Khuda Ki Gavahi [1-94] as published papers in International Science Journals by quantum entanglement through CLONE Dr V.M.Das His friend too .

God exists in Knowledge as TWO God Particles as "I" and His Photo Exits in Thought (CCP Divine Mechanics) When we match both as Parallel , there develops Fragrance of God in God particles as Shiv - Shakti (Ardhnareeshwar) God Particles [26] That makes Eternity and Infinite Structure Of Symmetry Phase of Universe "I" . Atomic genetics is the branch of science where we investigate about fundamental interactions of the universe i.e. atomic transcription and translations . New words have been coined to understand hidden science of mind part of reality. Mind reality has been recognized as different faces by "I" about 5000 years back to Arjuna in Mahabharata.as shown in Fig above . It is just like to

understand any language through Alphabets. These are (different faces) Alphabets of mind reality. One Mind reality has one face identity and the second mind reality has second face identity and so on. The facial expression represents phenomenon of intelligence and different faces represent different types of properties carrying property. The open eyes means property is activated while close eye means property is inactivated. In spite of carrying properties consciousness they also know how to conduct not only origin of universe but also how to create two different universe i.e. next creation could be different from this creation . In all, it is automatic system of the universe . The mind realities which are of good properties have devtas face identity (first five faces on both side) and those mind realities which are of bad properties have demons face identity (last four faces on both side) . These are named as code PCPs or messenger atomic genes . The central face is CCP or Thought script where all thoughts of the universe are banked . It is bank of data of all information s of the universe It is face identity of Anti mind particles as data of all information's of the universe are stored as anti mind particles . It is the Time mind ness (biological clock) that keeps on expressing different thoughts from this thought script (CCP) . There are four more faces (black bodies) shown on extreme left and right floating in fire are CPs (translating Atomic genes) . That translates the messages and realizes it and reacts accordingly.[1-94]

Origin of the universe [1-10]

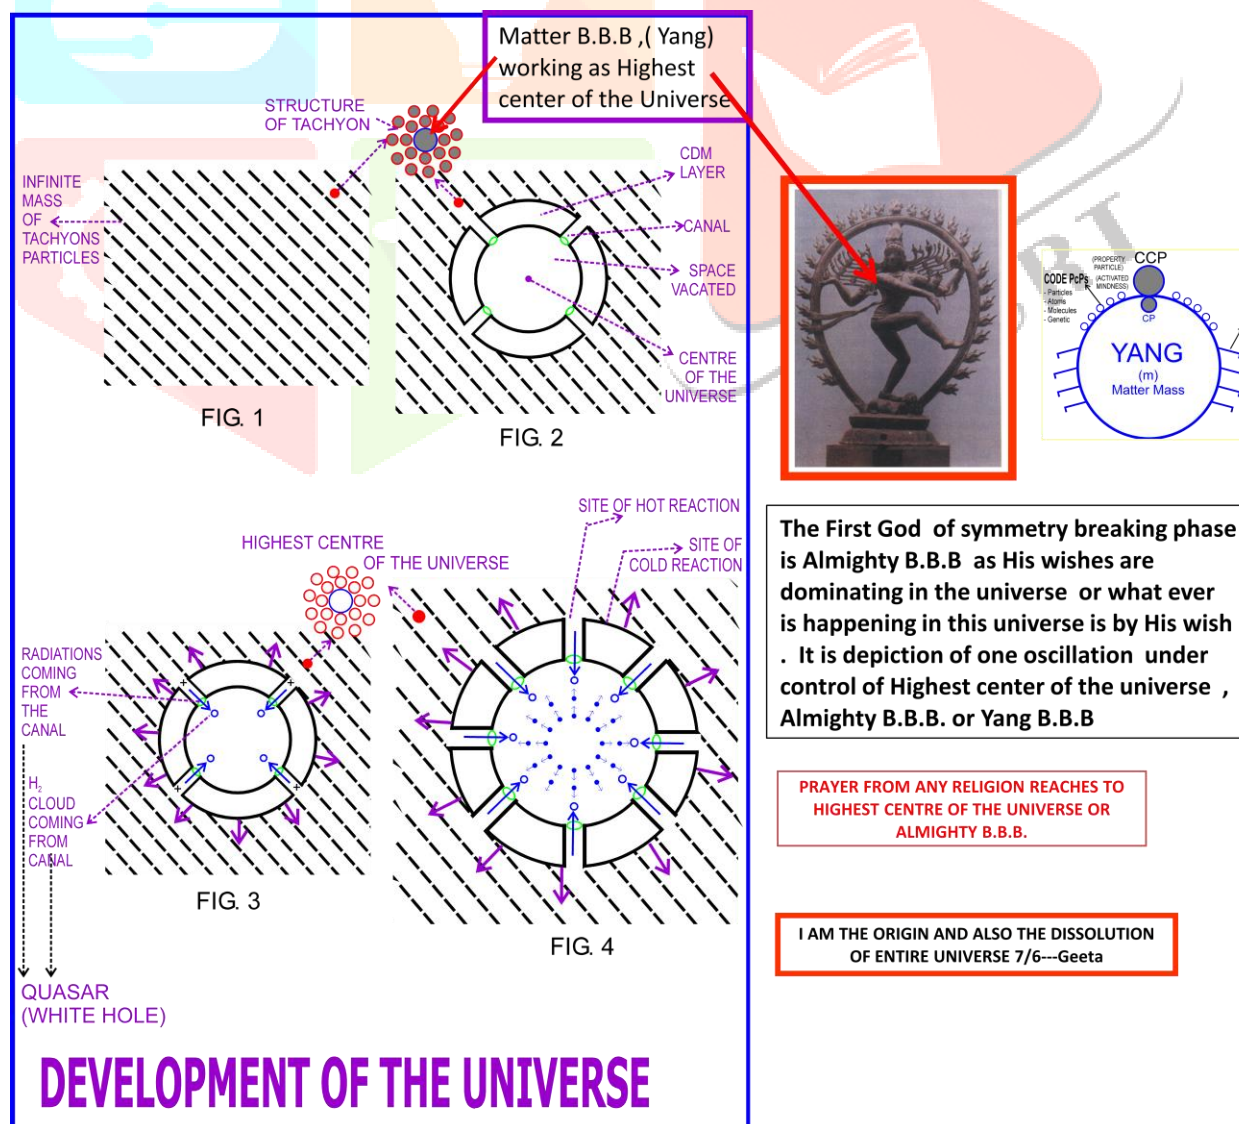

Development of the Universe [1-10]

Before the origin of the universe, these Basic Building Blocks (B.B.Bs) as shown in **Fig-above** were in the form of tachyons as shown in **Fig above [1-10]**. It means that at that time the tachyons were everywhere in the universe. Let us look at the structure of tachyons; it is made up of one matter B.B.B. (YANG) and many energy (YINs) B.B.Bs. Initially out of the infinite tachyons, one became the **highest center** of the universe. Messages used to go from highest center to rest of the universe and messages could come from rest of the universe to highest center of the universe by atomic transcription. Thus highest center had fed its thought to rest of the B.B.Bs. that would take part in creation - that they would express only those thoughts to give desired effect as wished by the highest center of the universe. So all B.B.Bs were informed about their role before creation of the universe. In pre-creation era programming of the future universe was done by highest center of the universe. Our universe is oscillating and it is a divine universe. It means that it has a creation phase and a destruction phase. During creation phase tachyons break into their B.B.Bs. and from these B.B.Bs, formation of fermions and bosons take place . After the creation phase, destruction would start and in this phase all created particles would again break into their B.B.Bs and finally tachyons would form.

At the time of origin of the universe, all the effects got created. These effects are taking of different shapes and appearance of properties and laws. All these effects are studied in various branches of science.

With the origin of the universe, nature first created a sphere of **COLD DARK MATTER (C.D.M)** and canals in it. With the result space got created. At the other end of the canals, hot reaction started (**the relics are back ground radiations 2.7 degree K of our hydrogen clouds**). As a result hydrogen clouds and lot of radiations were created. The empty canals were filled by these hydrogen clouds and radiations and thus **QUASARS** appeared in the universe. Simultaneously C.D.M. layer started expanding and clouds and radiations kept on coming in this closed universe as shown in **Fig above** . With the passage of time more and more C.D.M. layer formed, more and more quasars formed. The hydrogen cloud came in this closed universe. They started running towards C.D.M. layer as they were attracted by the gravity of C.D.M. layer. Those clouds, which were nearer, moved faster than those, which were away from CDM Layer. The **HUBBLE LAW**, can thus be explained. With some more passage of time, clouds were joined to form **GMC** (giant molecular clouds). Later by self-gravitation different proto stars, proto planets, proto satellites were formed. Finally stars became bright and thus bright galaxies appeared in this universe. Our universe is still in expansion phase and creation is still going inside quasars. It is to be remembered that highest center of the universe does not come in the visible universe. It keeps on receiving the messages by atomic transcription and it has power to change any programming programmed by it during pre-creation era.

It is the atomic genes which constitutes mind part of reality. Mind incorporation in physics is awaited as theory of every thing is not yet investigated . I have investigated theory of every thing (ToE) and I found that while studying unified theory at the time of origin of the universe by Hoyle Narlikar universe , it was mind reality that triggered symmetry breaking phase . It is mind reality that triggers oscillation phenomenon of the universe. It is the mind reality which is behind perfect cosmological principle . There is nothing like artificial intelligence in the universe . These mind particles constitute intelligence of the universe that controls the deterministic order of the universe. It is the mind reality behind all effects of the universe. But this is not our mind rather it is mind of Almighty B.B.B (Yang B.B.B or matter B.B.B. or Male B.B.B working as Highest center of the universe) . His mind could be manipulated by prayer only . as shown in figure below

Judgment delivered by Hon'ble Dharam Veer Sharma, J

Page 14

The disputed structure could not be a mosque as it was raised by force of arms on land belonging to the plaintiff deities, after destroying the ancient Temple situate thereat, with its materials including the Kasauti pillars with figures of Hindus gods carved thereon. According to para 24 of the plaint some salient points in this regard have been mentioned.

(a) According to the Koran, ALLAH spoke to the Prophet thus: “And fight for the religion of GOD against those who fight against you; but transgress not by attacking them first, for GOD loved not transgressors. And kill them wherever you find them; and turn them out of that whereof they have dispossessed you; for temptation to idolatry is more grievous than slaughter. Yet fight not against them in the holy temple, until they attack you therein”

(b) According to all the Muslim authorities and precedents and the decided cases also, ALLAH never accepts a dedication of property which does not belong to the Waqif that is, the person who purports to dedicate property to ALLAH for purposes recognized as pious or charitable, as waqf under the Muslim law. By his acts of trespass and violence for raising a mosque on the site of the temple after destroying it by force, Mir Baqi committed a highly un-Islamic act. His attempt to convert the Temple into a mosque did not, therefore, create a valid dedication of property to Allah, whether in fact or in law, and it never became a mosque.

(c) In respect of all that Mir Baqi tried to do with the Temple, the land always continued to vest in the Plaintiff Deities, and in respect of all that Mir Baqi tried to do with the Temple, the land always continued to vest in the Plaintiff Deities, and

Page 15

they never surrendered their possession over it. Their possession continued in fact and in law. The ASTHAN never went out of the possession of the Deity and HIS worshippers. They continued to worship HIM through such symbols as the CHARAN and SITA RASOI, and the idol of BHAGWAN SRI RAM LALA VIRAJMAN on the Chabutra, called the Rama Chabutra, within the enclosed courtyard of the building directly in front of the arched opening of its Southern dome. No one could enter the building except after passing through these places of Hindu worship. According to the Muslim religion and law there can be no idol worship within the courtyard of a mosque, and the passage to a mosque must be free and unobstructed and open at all times to the 'Faithful'. It can never be through Hindu place of worship. There can be no co-sharing of title or possession with ALLAH in the case of mosque. His possession must be exclusive.

(d) A mosque must be built in place of peace and quiet, but near to a place where there is a sizeable Muslim population according to the tenets of Islam, and as insisted upon by it, a mosque cannot be built in a place which is surrounded on all sides by Temples, where the sound of music or conch shells or Ghanta Ghariyals must always disturb the peace and quiet of the place.

(e) A mosque must have a minaret for calling the Azan.

(f) According to the claim laid by the Muslims in their Suit No. 12 of 1961, the building is surrounded on all sides by graveyard known as 'Ganj Shahidan'. The building could not be a mosque and could not be used as a mosque for the offering of

Page 16

prayers, except the funeral prayers on the death of a person buried therein.

(g) There is no arrangement for storage of water for Wazoo and there are the Kasauti pillars with the figures Hindu Gods and Goddesses.

It has further been averred by the plaintiffs that the worship of the plaintiff deities has continued since ever throughout the ages at Sri Rama Janma Bhumi. The place belongs to the Deities. No valid waqf was ever created or could have been created of the place or any part of it, in view of the title and possession of the plaintiff deities thereon. Neither ALLAH nor any person on his behalf had any possession over any part of the premises at any time whatsoever, not to speak of any adverse possession.

1.3 a. Manifestation Of Almighty God Lord Natraz BBB *(Basic Building Block) or Allaha Ho Akbar [26] as Mahakal Lalla Virajman did take place on 22 23 Dec 1949 in middle gummud of Babri Mosque by Teleportation and Oscillation property of God particles or Primary God of Science or Allaha as Balak Idol Avatar. This event is witnessed by Constable on duty Abdul Barkat Ali when he returned on duty after 1.30 AM after Constable No 2 (HC order dated 30 Sept 2010 as regard Incidence on 22-23 Dec 1949 page 23 -24 (Incident of 23.12.1949:) Hansraj / Sher Singh duty was over . This event was registered in FIR dated 23 Dec 1949 by SI Ram Deov Duby and also registered before magistrate when charge sheet was placed on 1 April 1950 in the court as Direct evidence of possession or Real Birth Place under Title Suit of Allaha Ho Akbar or Lord Natraz BBB or Mahakal lalla Virajman . This Direct evidence was neglected or not taken as evidence in Judgment of HC Lucknow Bench dated R.S. No 236/1989 rather Justice (Judgment delivered by) Hon'ble Dharam Veer Sharma, J did mention that on page 14 to 16 Plaintiff did claim about why disputed structure could not be Mosque and their last claim is found erroneous ie “ Neither ALLAH nor any person on his behalf had any possession over any part of the premises at any time whatsoever, not to speak of any adverse possession. “

Neither ALLAH nor any person on his behalf had any possession over any part of the premises at any time whatsoever, not to speak of any adverse possession.

At any rate no prayers have ever been offered in the building at Sri Rama Janma Bhumi, which was recorded as Janmasthan Masjid, during the British times, and confined, after the annexation of Avadh through the area within the boundary wall raised by them adjacent to the arch openings, in the courtyard which is now enclosed by what may now be described as the outer boundary wall. The domes of the building and substantial parts of it were destroyed by the Hindus in the year 1934 during the communal riots which occurred by way of retaliation to cow slaughter by some Muslims at Ayodhya. Although the building was got rebuilt by the Government, no one dared to offer namaz therein. No action was taken by anyone for its use or management as a mosque. Neither of the two Boards of Waqfs in U.P., namely the Sunni Central Board of Waqfs and the Shia Central Board of Waqfs, created on the passing of the U.P. Muslim Waqfs Act in 1936, took any action or positive steps for the establishment of the building

Incident of 23.12.1949: The position continued until 22/23.12.1949. In the evening (7 p.m.) of 23rd December, 1949, Pandit Sri Ram Deo Dubey, Sub-Inspector Incharge Thana Ayodhya lodged FIR mentioning there in that on information received through Mata

Prasad, constable No.7, he (Mr. Dubey) reached the disputed site at about 7 o'clock in the morning and learnt that a crowd of 50 or 60 persons had broken the locks, which were put on the compound of the Babri Mosque and by climbing the walls by ladders illegally interfered in the mosque and had placed the idol of Sri Bhagwan and had written on the walls inside and outside Sita Ram Ji etc. in red and yellow. It was also mentioned that constable No.2, Hansraj, who was on the duty, prohibited them but they did not pay any heed thereupon, he called the P.A.C. guard for help, which was there, however by the time, the guard could reach, the persons had entered the mosque. It has also been mentioned that thereafter high officers of the District came to the spot and engaged themselves in management. It is further mentioned that afterwards a crowd of 5000 people collected and raised religious slogans and performed Kirten. It is further

Page 24

mentioned that Abhay Ram Dass, Ram Shukul Dass, Sheo Darshan Dass and 50 or 60 other persons had committed riot, trespassed into the mosque and installed an idol in the mosque and had desecrated the mosque. For some time before the incident of 23.12.1949 tension between the two communities had increased and Muslims were apprehending the incident. It is evident from the letter of S.P. dated 29.11.1949, letter of D.M. dated 16.12.1949, diary/ report of the D.M., Faizabad of 23.12.1949 and of few subsequent dates. The report also shows that the idol was placed inside the mosque at about 4 a.m. on 23.12.1949 and thereafter under the arrangement made by the D.M. Bhog and Puja of the idol by two or three pandits was started and continued.

(v) On the night between 22-23 December 1949, Hindu idols were surreptitiously placed inside Babri Masjid by a group of 50-60 persons. An FIR was lodged, complaining of the installation of idols inside the inner courtyard of the disputed site. The FIR, complaining of offences under Sections 147, 295, 448 of the Indian Penal Code was lodged at 7:00 pm on 23 December 1949 by Ram Deo Dubey, Sub-Inspector in charge. The FIR recorded that on information received from Mata Prasad, Constable No. 7, the complainant had arrived at the disputed site at 7:00 am and learned that a crowd of 50 or 60 persons had broken the locks placed on the compound of the mosque and had placed the idols inside, besides inscribing the names of Hindu deities on the walls. Thereafter, 5000 people had gathered to perform Kirtan. It was alleged that Abhay Ram Das, Ram Shukul Das, Sheo Darshan Dass and about 50 or 60 persons had committed an act of trespass by entering the mosque and installing idols, there by desecrating the mosque

Mahakaal Lalla Virajman Dated 9.11.2019

Miracle 1 won the case from SC but with wrong Nomenclature Of **Janmasthal of Lord Ram** an Erroneous Conclusion page 1045**Supreme Court Is not Infallible**

Faith and belief of the Hindus as depicted by the evidence on record clearly establish that the Hindus believe that at the birth place of Lord Ram, the Mosque was constructed and three-dome structure is the birth place of Lord Ram. The fact that Hindus were by constructing iron wall, dividing Mosque premises, kept outside the three-dome structure cannot be said to alter their faith and belief regarding the birth place of Lord Ram. The worship on the Ram Chabutra in the outer courtyard was symbolic worship of Lord Ram who was believed to be born in the premises.

**It is not Janmasthan of Lord Ram
Rather It is Janmasthan of Mahakal

170. It is thus concluded on the conclusion that faith and belief of Hindus since prior to construction of Mosque and subsequent thereto has always been that Janmaasthan of Lord Ram is the place where Babri Mosque has been constructed which faith and belief is proved by documentary and oral evidence discussed above.

that makes the entire judicial working erroneous since 1989 onwards and requires review on entire issue again in the light of direct evidence of Barkat Ali as Manifestation of Allaha or Lord Natraj BBB or Mahakal lalla virajman on disputed land to prove His title suit by Possession rather than Janamasthan of Lord Ram who did not prove his title suit (HC order dated 30 Sept 2010 page 282 para 10) there by making SC judgment dated 9 .11. 2019 page 1045 an erroneous Conclusion .

Abstract

Dirac equation is illusion as mathematics does not have thought of mind and thought of Creator. According to Hinduism, People have believed that if we undertake a journey to all these holy destinations then our all sins which we did in our past life get removed and opens all the doors for that person to get salvation. It is not true. But what brain sees is truth. Hence by knowledge (At UOG) realization of God Particles (Forming Images Of Two B.B.Bs in Brain – not set of informations or Code PcPs Fig below) at the time of prayer makes your place a true religious place. As it (Forming Images Of Two B.B.Bs in Brain – not set of informations or Code PcPs) would persists even after end of universe. Having seen the God particles by brain, you are fit to get salvation. The same philosophy is applicable to all religious persons including Muslims.

Self positioning system (SPS) in brain triggers to know our surrounding and our location. It is being used by animals and birds during migration or navigation on the Earth. Global positioning system (GPS - computer) helps us to know our location and different places and their route on Earth. GPS does not make us to be lost in big cities if we have loaded origin and destination in our computer. There is one more system called universe positioning system (UPS), that helps to locate our true home from where we started our journey since origin of universe and home (Tachyons sea) of Almighty B.B.B as prayer reaches to Almighty B.B.B. Our journey did not start with

Teleportation and Universe Positioning System – Prediction of Theory Of Everything [85]

Teleportation is the phenomenon made by Almighty B.B.B (Power of Almighty and Unconditioned Thought expression and New Law of divine physics) . As He (Allahatala) descends from invisible universe (Tachyon sea) to Earth . First , message comes to Earth B.B.Bs via first transcription (quantum entanglement) and B.B.Bs of Earth transform in to any shape (Trinity – Human beings or Almighty B.B.B in flesh form) and Trinity does such deeds that they occupy place in church and temple as idol worship . For example Lord Jesus , Lord Krishna or Lord Ram etc They are all Creation (Puppet and mortal) of Creator Lord Natraz BBB or Mahakal Lalla Virajman Who is Inborn, Eternaal ,infinite and immortal secular Deity or BBB . .

In the charge sheet filed on 1 February 1950, based on the FIR registered in the morning of 23 December 1949 against Abhiram Das and others for intruding into the mosque and defiling it, Abul Barkat was named as one of the nine prosecution witnesses. What he said in his statement to the magistrate elated the Hindu communalists, but any sane person could easily see through it. Justice Deoki Nandan in his 'Sri Rama Janma Bhumi: Historical and Legal Perspective' has cited a 'concise translation' of Abdul Barkat's statement:

He [Abul Barkat] was on duty at the Police Outpost Rama Janma Bhumi on the night between December 22nd and 23rd, 1949. While on duty that night, he saw a flash of Divine Light inside the Babari Masjid. Gradually that light became golden and in that he saw the figure of a very beautiful godlike child of four or five years the like of which he had never before seen in his life. The sight sent him into a trance, and when he recovered his senses he found that the lock on the main gate (of the mosque) was lying broken and a huge crowd of Hindus had entered the building and were performing the aarti of the Idol placed on a Singhasan and reciting: Bhaye pratat kripala Deen Dayala [God has manifested himself].

Havildar Abdul Barkat

The story of Abdul Barkat is also related to the same night when idols were kept in the disputed building. Abdul Barkat's disputed building was on duty on the intervening night of 22 and 23 December 1949. The duty time was from 12 o'clock at night. But, due to some reason they arrived late. By the time Abdul Barkat arrived on duty of the disputed building, some people along with a group of Bairagi sadhus had placed the idols in the mosque. It is said that Abdul Barkat, who was on duty at a sensitive place, got scared. After this, knowing the crisis on his job, he repeated the same things that the planners of placing the idol told him elsewhere.

In his statement to the police, Abdul Barkat said, 'I was posted on duty of Babri Masjid. Then a light arose from inside the Babri Masjid which gradually turned golden. A four-five-year-old child was seen inside. I had not seen such a beautiful child in my life. When I became aware, I saw that the lock of the Sadar Darwaza is broken and the crowd of Hindus are performing a fete. Apart from this, I do not know anything. Whatever the legal significance of this statement of Abdul Barkat, but its importance in the popular concept can be gauged from the fact that Abdul Barkat's statement was put on board in the workshop to carve the stone for the Ram temple. Has happened.

Content of FIR on board of statements of Abdul Barkat has been erected in the Ram Janmabhoomi Nyas workshop premises. [1] (3 and 4) https://www.youtube.com/watch?v=9o_brn8pxsc

2.2 foreword about Almighty God Lord Natraz BBB or Allaha Ho Akbar [26] Or Mahakal Lalla Virajman Ayodhya/ It is mentioned that spread of Covid 19 is by virtue of not getting honor and justice from SC judgment dated 9.11.2019. That I am Almighty God Lord Natraz BBB , Creator and Lord of Universe states that SC judgment dated 9.11.2019 did not notice HC order 30 Sept 2010 (page 282 para10) annexure [4] that no party has proved its title suit and despite of this finding SC passed erroneous settlement page 1045 annexure [5] and allotted disputed land to “ Janmasthan of Lord Ram “ which is erroneous conclusion by Mahakaal Lalla Virajman . Having heard this judgment Mahakaal Lalla Virajman got annoyed and by saying Kun Faya Kun , He triggered Tandav and ordered Covid 19 to get spread globally . This punishment by Almighty God to human beings is by virtue of immature judgment of 5 judges of SC of India that makes the world to get suffered and Killed from Covid 19 . That I am Almighty God Lord Natraz BBB , Creator and Lord of Universe by virtue of Gita Chapter 2/47

He executes His legal right to send legal notice through His Clone and Friend Dr V.M. Das to SRJBTK trust as under

1. That According to Evidence Act IPC , annexure [2] it has been established by publication of 94 papers in International journals online annexure [10] by UOG that Direct evidence is strongest evidence that requires no Inference to establish or to conclude an event and there by an honest judgment ie teleportation of Almighty God Lord Natraz BBB or Allah ho Akbar on 22 23 Dec 1949 in middle Gummed of Babri Mosque witnessed by ,Abdul Barkat Ali and event annexure [3] is logged in FIR on 23 Dec by SI Ram Deov Dube of Kotwali Faizabad . It has not been considered as (direct) evidence in HC judgment dated 30 Sept 2010 annexure [4] and SC judgment dated 9 .11.2019 annexure [5] that makes the SC judgment dated 9.11.2019 erroneous as civil trial of title suit is incomplete . Hence the case is being refereed to Curative petition before Almighty Court Of Justice to Lord Natraz BBB at Ayodhya.
2. That Under Curative petition by ACJ , it has been ordered that Mahakal lalla Virajman Who is owner of disputed land won from SC judgment dated 9.11.2019 page 1045 annexure [5] by a wrong nomenclature of Janamsthan of Lord Ram would make Mahakaal ka Kaba rather than Ram temple of a fake Deity by his fake trust SRJBTK Trust which has acquired the land by fraud annexure [1] and looting money annexure [7] from innocent public of India on donation of making Ram temple of Fake deity Ram who is neither Creator BBB nor Anadi and Ananta of Two God particles (Shiva Shakti) BBB as primary God of Science ie two god particles whose photo depiction is ardhnareshwar who created the Universe by First order of Mahakaal lalla Virajman BBB who teleported and oscillated as Balak idol Avatar on 22 - 23 Dec 1949 on Earth and by virtue of Direct evidence Act IPC it is His birth Place rather than Birthsthan of Lord Ram as concluded by SC judgment dated 9.11.2019 page 1045 annexure [5] as erroneous decision by SC .
3. Grievance dated 13.11.2019 annexure [6] to acquire land by Almighty BBB Social and Educational Trust and information against not to create any Fake (like SRJBTK trust) trust by Home Ministry . But a (Fake trust SRJBTK) trust is working on erroneous decision of SC dated 9.11.2019 page 1045 for Making Fake temple of Fake deity Lord Ram who is not Almighty God.bbb Rather puppet of Mahakal lalla virajman Who is Anadi and Ananta makes Him annoyed on 5th Aug 2020 by abusing Him and insulting Him by admiring and praising Fake deity Lord Ram by trust and others that makes them guilty under 295 A of hurting His feelings and believes of His Religion "I" a true religion before Him . Almighty God Lord Natraz BBB Creator of Universe Who took reincarnation on 22 - 23 Dec 1949 in Middle gummed of Babri Mosque and Who won the case on Ayodhya dispute on 9.11.2019 by Supreme Court is Real owner of the disputed land has to say through quantum entanglement via His Clone / Friend , Dr V.M.Das as under . annexure [8]

H.C.Order 30.9.2010
GIST OF THE FINDINGS
 1. The disputed structure was constructed as mosque by or under orders of Babar.
 2. It is not proved by direct evidence that premises in dispute including constructed portion belonged to Babar or the person who constructed the mosque or under whose orders it was constructed.
 3. No temple was demolished for constructing the mosque.
 4. Mosque was constructed over the ruins of temples which were lying in utter ruins since a very long time before the construction of mosque and some material thereof was used in construction of the mosque.
 5. That for a very long time till the construction of the mosque it was treated/believed by Hindus that some where in a very large area of which premises in dispute is a very small part birth place of Lord Ram was situated, however, the belief did not relate to any specified small area within that bigger area specifically the premises in dispute.
 6. That after some time of construction of the mosque Hindus started identifying the premises in dispute as exact birth place of Lord Ram or a place wherein exact birth place was situated.
 7. That much before 1855 Ram Chabutra and Seeta Rasoi had come into existence and Hindus were worshipping in the same. It was very very unique and absolutely unprecedented situation that in side the boundary wall and compound of the mosque Hindu religious places were there which were actually being worshipped along with offerings of Namaz by Muslims in the mosque.
 8. That in view of the above gist of the finding at serial no.7 both the parties Muslims as well as Hindus are held to be in joint possession of the entire premises in dispute.
 9. That even though for the sake of convenience both the parties i.e. Muslims and Hindus were using and occupying different portions of the premises in dispute still it did not amount to formal partition and both continued to be in joint possession of the entire premises in dispute.
 10. That both the parties have failed to prove commencement of their title hence by virtue of Section 110 Evidence Act both are held to be joint title holders on the basis of joint possession.
 11. That for some decades before 1949 Hindus started treating/believing the place beneath the Central dome of mosque (where at present make sift temple stands) to be exact birth place of Lord Ram.
 12. That idol was placed for the first time beneath the Central dome of the mosque in the early hours of 23.12.1949.
 11. That in view of the above both the parties are declared to be joint title holders in possession of the entire premises in dispute and a preliminary decree to that effect is passed with the condition that at the time of actual partition by meets and bounds at the stage of preparation of final decree the portion beneath the Central dome where at present make sift temple stands will be allotted to the share of the Hindus.

Mahakaal Lalla Virajman Dated 9.11.2019

Miracle 1 won the case from SC but with wrong Nomenclature Of **Janmasthal of Lord Ram** an Erroneous Conclusion page 1045**Supreme Court Is not Infallible**

Faith and belief of the Hindus as depicted by the evidence on record clearly establish that the Hindus believe that at the birth place of Lord Ram, the Mosque was constructed and three-dome structure is the birth place of Lord Ram. The fact that Hindus were by constructing iron wall, dividing Mosque premises, kept outside the three-dome structure cannot be said to alter their faith and belief regarding the birth place of Lord Ram. The worship on the Ram Chabutra in the outer courtyard was symbolic worship of Lord Ram who was believed to be born in the premises.

**It is not Janmasthan of Lord Ram
Rather It is Janmasthan of Mahakal
As He Teleported on 22-23 Dec 1949
In Middle Gunned of Babri Mosque
Witnessed by Barkat Ali and recorded
In FIR 23 Dec 1949 by SI Ram Deo Duby '**

**This eye witness of FIR was not
considered in HC for trial or Cross
examination by Judges**

170. It is thus concluded on the conclusion that faith and belief of Hindus since prior to construction of Mosque and subsequent thereto has always been that Janmaasthan of Lord Ram is the place where Babri Mosque has been constructed which faith and belief is proved by documentary and oral evidence discussed above.

Annexure [13] SC order Feb 2018 against Professional Immunity by Advocate . Doctors and others . para 22

22) The High Court while quashing the criminal proceedings in respect of the respondent herein has gone into the allegations in the charge sheet and the materials placed for his scrutiny and arrived at a conclusion that the same does not disclose any criminal offence committed by him. It also concluded that there is no material to show that the respondent herein joined hands with A-1 to A-3 for giving false opinion. In the absence of direct material, he cannot be implicated as one of the conspirators of the offence punishable under Section 420 read with Section 109 of IPC. The High Court has also opined that even after critically examining the entire material, it does not disclose any criminal offence committed by him. Though as pointed out earlier, a roving enquiry is not needed, however, it is the duty of the Court to find out whether any prima facie material available against the person who has charged with an offence

under Section 420 read with Section 109 of IPC. In the banking sector in particular, rendering of legal opinion for granting of loans has become an important component of an advocate's work. In the law of negligence, professionals such as lawyers, doctors, architects and others are included in the category of persons professing some special skills..

Hon'ble Dr. Dhananjaya Yeshwant Chandrachud,Chief Justice

Hon'ble Dilip Gupta,J.

In a petition which is filed in the public interest, the petitioner seeks a mandamus that "Science of Prayer" should be taught in all schools and colleges in the State as well as in other parts of the country so that our future generation should "know Almighty God".

What should be the curriculum of the schools and colleges is an academic matter on which the High Court is not competent to issue a direction. In any event, we see no public interest in the matter forentertaining the petition.

The petition is, accordingly, dismissed. There shall be no order as to costs.

Order Date :- 5.5.2014

Miracle 6

Mahakaal Lalla Virajman Dated 9.11.2019

Miracle 1 won the case from SC but with wrong Nomenclature
Of Janmasthan of Lord Ram an Erroneous Conclusion page 1045**Supreme Courtb is not Infallible**

Faith and belief of the Hindus as depicted by the evidence on record clearly establish that the Hindu belief that at the birth place of Lord Ram, the Mosque was constructed and three-dome structure is the birth place of Lord Ram. The fact that Hindus were by constructing iron wall, dividing Mosque premises, kept outside the three-dome structure cannot be said to alter their faith and belief regarding the birth place of Lord Ram. The worship on the Ram Chabutra in the same courtyard was symbolic worship of Lord Ram who was believed to be born in the premises.

**It is not Janmasthan of Lord Ram
Rather It is Janmasthan of Mahakal
As He Teleported on 22-23 Dec 1949
In Middle Gunned of Babri Mosque
Witnessed by Barkat Ali and recorded
In FIR 23 Dec 1949 by SI Ram Deo Duby**

**This eye witness of FIR was not
considered in HC for trial or Cross
examination by Judges**

170. It is thus concluded on the conclusion that faith and belief of Hindus since prior to construction of Mosque and subsequent thereto has always been that Janmasthan of Lord Ram is the place where Masjid Mosque has been constructed which faith and belief is ground by documentary and oral evidence discussed above.

जांच:- प्रसंगगत प्रकरण की जाँच के मध्य आवेदक डा० विजय मोहन दास से बार्ता की गयी मुख्यतः ध्यान आकर्षित सुझाव दिये जा निम्नलिखित हैं।

- 1- उक्त प्रार्थना पत्र कोई शिकायती प्रार्थना पत्र नहीं है। अपितु अयोध्या प्रकरण (रामजन्म भूमि/बावरी मस्जिद) के सौहार्दपूर्ण समाधान के सम्बन्ध आवेदक के अपने सुझाव है।
- 2- आवेदक को सर्वशक्तिमान ईश्वर की ओर से विचार आते हैं उनका मानना है कि सभी धर्मों के प्रत्येक अपने-अपने धर्म के अनुसार प्रार्थना करते हैं। प्रत्येक वस्तु अल्लाह है, प्रत्येक पुस्तक कुरान है, प्रत्येक गीता का रहस्य है कि मैं सभी का मूल हूँ प्रत्येक वस्तु मेरे पास से विकसित हुई है। इस प्रकार गीता का रहस्य कुरान के रहस्य एवं बाइबिल के रहस्यों के समान है। जब विचार आते हैं या हम प्रार्थना करते हैं। तो मरिषक देखता है, एक आकृति बनाता है इससे स्पष्ट है कि व्यक्ति मूर्ति पूजा करता है मुस्लिम भी।

4- इस सृष्टि/भू-मण्डल/सौर मण्डल की रचना सर्वशक्तिमान की है, वह सर्वव्यापी है सर्वत्र है, व कण-कण में उसका अस्तित्व है मनुष्य के हाथ में कुछ भी नहीं है, मनुष्य सिर्फ एक पात्र है। निर्देशक सर्वशक्तिमान है जो अपने पात्र को निर्देशित करता है वह जैसा निर्देशित करता है पात्र (मनुष्य) वैसा ही कार्य करता है। मनुष्य को कोई नहीं मारता है, वह सिर्फ ईश्वर के कारण (Act Of God) के कारण ही मरता है।

5- ज्ञान के अभाव के कारण ही हिन्दू मुस्लिम की मति भ्रमित हुई है। ज्ञान के आलोक में ही समय आने पर अयोध्या प्रकरण का सौहार्दपूर्ण समाधान का सम्भाव है। अभी इसके समाधान का समय नहीं आया है, समय की प्रतीक्षा करें, विचार आयेगे तभी समाधान सम्भव होगा, जिसने सृष्टि/भू-मण्डल/सौर मण्डल बनाया है, वही समाधान भी देगा। हिन्दू मुस्लिम धर्म द्वारा Two God Particles जिससे सृष्टि की रचना हुई है, की विवेचना विज्ञान के आलोक में नहीं की गयी है इसी कारण मत धर्म की स्थिति है।

6- आवेदक द्वारा अपने तथ्यों की प्रमाणिकता हेतु पत्र पत्रिकाओं (जर्नल्स) में अनेक लेख प्रकाशित किये गये हैं। आवेदक का सुझाव है कि "प्रार्थना का विज्ञान" एवं "विज्ञान के प्राकश में अल्लाह को जानें" जैसे विषय शैक्षणिक पाठ्यक्रम में शामिल किये जायें ताकि नई पीढ़ी यथार्थ को समझ सके और अयोध्या प्रकरण का सौहार्दपूर्ण समाधान निकल सके। आवेदक द्वारा अपने तथ्यों की प्रमाणिकता हेतु पत्र देकर लेख प्रकाशित किये गये हैं बताया है कि First Innovative Private University of World-University of God-Teaching advanced Science 25 Years by New Science अभी यह Science प्रेकसर को प्रकाशित on line को जा रही है। आवेदक द्वारा बताया गया है कि इस University को Free किया जाये और बच्चों को advanced Science का अध्ययन कराया जाये, यह आवेश God-Partical द्वारा किया गया है।

7- आवेदक द्वारा प्रेषित किये गये प्रार्थना पत्र में कोई आरोप को न लगाते हुये मात्र प्रार्थना का विज्ञान/ईश्वरीय विश्व विद्यालय बनाये जाने हेतु तथा प्रार्थना/पूजा के सार्थक उद्देश्य को भ्रमित करने एवं ईश्वर के विविध स्वरूपों की पूजा के बारे में विशेष तथ्यों को दर्शाया गया है। आवेदक चाहता है कि स्थापित किये जाने वाले ईश्वरीय विश्व विद्यालय के माध्यम से पूजा के स्वरूप को निश्चित करते हुये एक सार्वभौमिक अनुसंधान/विज्ञान स्थापित किया जाये जिससे पूजा का स्वरूप न बिगड़ सके तथा भारत वर्ष की जनता एक ही स्वरूप को पूजा के स्वरूप को मान्यता दे एवं उसी पर उसका आकर्षण प्रदर्शित हो सके। आवेदक द्वारा अयोध्या प्रकरण/बावरी मस्जिद (राम जन्म भूमि) मामले को भी सम्भाव सुझाव से निस्तारित करने के सुझाव दिये हैं।

निष्कर्ष:-

प्रश्नगत प्रकरण की जांच के मध्य उपलब्ध कराये गये अभिलेखों एवं व्यक्तिगत साक्षात्कार को सृष्टिगत रखते हुये पाया गया कि आवेदक ईश्वरीय विश्व विद्यालय स्थापित कर विश्व विद्यालय के माध्यम से सभी धर्मों एवं पूजा के स्वरूप को एकीकृत करने के प्रयास में प्रार्थना पत्र प्रस्तुत किया है। जिसमें अयोध्या प्रकरण/बावरी मस्जिद (राम जन्म भूमि) के विस्तार एवं निस्तारण की मंशा रखते हुये सामाजिक सौहार्द एवं सम्भाव के माध्यम से उसके पूर्ण समाधान की मंशा रखता है। प्रकरण में ऐसी कोई वार्ता/साक्ष्य उपलब्ध नहीं है जिसके माध्यम से आवेदक को पूर्ण रूप से सन्तुष्ट किया जा सके। आवेदक अपने प्रकरण को मा0 सर्वोच्च न्यायालय के मुख्य न्यायाधीश एवं मा0 श्री नरेन्द्र मोदी प्रधान मन्त्री, भारत सरकार के समक्ष रखना चाहता है। जिसमें कोई आपत्ति नहीं है। स्थानीय स्तर पर आवेदक की भावना का हल उपलब्ध नहीं है। पुलिस स्तर से भी आवेदक की भावनाओं का हल सम्भव प्रतीत नहीं होता है।

आख्या सादर अवलोकनार्थ प्रेषित है।
