Abstract: In Kali Yuga, in the 22nd century, Param Prabhu Sarahunaath showed the lamentation of Goddess Bhudevi and observed the number of people who were shaking due to the calamity of education and Kali's uproar in the earth, Param Prabhu Sarahunaath saved the earth by holding it in his index finger. And at the same time, Param Prabhu Sarahunaath had used the Sudarshan Chakra to ward off the plague of giants and to kill unknown diseases on human beings who were suffering from Kali's angry. And with the help of Sudarshana Chakra, he protected the world from deadly diseases.

1. Lord Sarahunaath new Constitution and Himagiri Penal Code 2013 to 2022

Lord Sarahunaath he has established new nation called “Himagiri. This country is also in the Himalyas between china and Tibet. And there is the great capital called “Devanagari”. The current Himagiri has 14 major cities. They are all related to God. And the Himagiri has a new constitution ans a new law sections. And there is alo have a new religion. And there are new sacred books when he was 32.

Rather than saying that Himagiri country is a new country, it can be called a new universe. Because Himagiri country has kept all the countries of the world under its control. Himagiri is not limited to humans; or not dedicated. Himagiri It states that every country in the world should follow the Himagiri constitution. The Constitution is not just for Himagiri country. At present, in some countries, many religious practices and religion are being threatened by the constitution already in place. Noticing this, Param Prabhu Sarahunaath created the constitution that he himself had created in the universe to be implemented in all countries in the world. He created it in the presence of all the deities of the universe. In that constitution, no country, no one is threatened. There is no difference. Everyone gets equality and freedom there. But the written constitution is not only applicable to human beings but also to other living beings.

Terrorism, wars, political parties, scheduled castes, taxes have been removed from the constitution. Every country has a unique constitution. There are means that is the constitution of the entire universe of all biomass; in the constitution of the Himagiri is a total of 42 parts. 191 teachings, 509 articles, 5 tables, 12 approved subsections and 8 terminology sections. That means elections are not allowed there. No allowance for taxes. First there is no room for internecine wars. And the orishist sects, caste discriminations are also denied. Because everything is divine there. It will happen as per God's notification. Even the war will take place under the sanction of Himagiri Constitution. Even the struggle of religions cannot take place there.

2. Himagiri nor Universe Penal Code 2013 to 2022

Rather than saying that Himagiri country is a new country, it can be called a new universe. Because Himagiri country has kept all the countries of the world under its control. Himagiri is not limited to humans; or not dedicated. Himagiri It states that every country in the world should follow the Himagiri Penal Code. The Penal Code is not tied to a single country, even Himagiri. At present, in some countries, many of the penal codes already in place are threatening religious practices and religion. Noticing this, Param Prabhu Sarhunaath created the Penal Code which he himself created in the universe to be implemented in all countries in the world. He created it in the presence of all the deities of the universe. No country, no one is harmed in that penal code. There is no difference. Everyone gets equality and freedom there. But the Penal Code is applicable not only to human beings but also to other living beings.

The Himagiri Penal Code is not similar to the Penal Code of other countries. Because Himagiri Penal Code was also created by Param Prabhu Sarahunaath. It is unlike the penal code of any other country in the world. Importantly, there is no evidence to convict the accused. There the accused is the accused. The guilty are not innocent. There the Himagiri Penal Code operates in divine law. There is no room for any man-made law, no politics. If a person does not get justice in other courts, he can directly appeal to Himgi court. This means that even a divorce case takes place in a court for at least four years. But the said case can be settled in Himagiri court in just one day. Even a policeman will immediately find out whether a person who has been captured is guilty or not. The innocent cannot be punished without reason. It has about around 600 articles: It also relates to the entire universe.

3. The 14 major cities of Himagiri nation in the Universe

Himagiri Constitution has 14 new principal cities. In each country, a snow god is officially in charge. He will maintain religion in the world by suggesting Himagiri Constitution through Param Prabhu Sarahunaath. In any country they will teach civilized education without jeopardizing communal riots and religious rites. He bears the full responsibility of the countries. Those major cities are, 1. Himalayan city, 2. matheroam city, 3. Denali city, 4. Kirkijuphel city, 5. Table mountain city, 6. Viniscunka city, 7. Mount phuji city, 8. Iraki mountain city, 9. Kilimanjaro city, 10. Cradal mountain city, 11. Mount hongyan city, 12. Castle mountain city, 13. Mount blank alps city and Mount Olympus range city.

4. How did param prabhu Sarahunaath use Sudarshana Chakra?

In Kali Yuga, in the 22nd century, Param Prabhu Sarahunaath showed the lamentation of Goddess Bhudevi and observed the number of people who were shaking due to the calamity of education and Kali's uproar in the earth, Param Prabhu Sarahunaath saved the earth by holding it in his index finger. And at the same time, Param Prabhu Sarahunaath had used the Sudarshan Chakra to ward off the plague of giants and to kill unknown diseases on human beings who were suffering from Kali's angry. And with the help of Sudarshana Chakra, he protected the world from deadly diseases.

5. Who is writing to Kali Yuga period? Even who is Lord Shiva?

In the Kali Yuga, no god could escape the partial influence of Kali. This appeared very severe and impressive to Lord Shiva. When beloved Parvati and Gangadevi came to earth, Lord Shiva also came to earth in the guise of looking for Parvati and Gangadevi in his true form of Param Prabhu Sarahunaath. Lord Shiva in his true form was born on 1/6/1988 in the womb of Sanna phakkirappa and Ratnamma in a village called Hullatti. When Lord Shiva was born from the womb, he appeared as Sarahunaath. But this was not an incarnation of Shiva. Nor was Sarahunaath a form of Shiva. Sarahunaatha's form was the form of Shiva himself.

This was the first time in Kali Yuga that Lord Shiva came to earth in his true form. But Shiva came in various forms and Shivam Shaktis came to Dhara as Ganas. But so far the things mentioned about Shiva in Puranas or scriptures are not clear. And not be cleared. Sarahunaath himself was Shiva. Thus supreme Shiva/Sarahunaath himself was writing the Kali Yuga in his presence.

6. Who is the god of all religions in the universe? Lord Sarahunaath is the god of all religions in the universe.

Supreme Sarahunaath name meaning has already been told. That is, Sarahunaath means the amalgamation of all the gods of the world. So people of any religion can worship him. can be worshipped. Again Sarahunaath name meaning means amalgamation of all religions of the world. When Lord Shiva became Sarahunaath, the name of his past days name was "Nagaraj". Later Shiva changed the name of past days name once again to "Sarahu Nagarazan". Later, Shiva again changed to "Sarahunaath" according to the progress of Kali Yuga. Later the same Sarahunaath was called "Parvati Sarahunaath, Sarahunaath, Sarvanaath". Sarvanaath means everything. All means Almighty.

A total of 1001 verses of Kali in the present Kaliyuga holy Scriptures are told how destroy are sub destroy done. And it is written why Kali Yuga started and how to get salvation in Kali Yuga and when Kali Yuga will end and different status given to different Gods in Kali Yuga. Moreover, in the Kali Yuga, due to the religious campaigns and conversions and religious riots and wars, a new independent nation, a new religion and new scriptures were created for the gods. And a new constitution and penal code were created for the world man.

Shiva/Sarahunaath had no difficulty in killing Kali. But Shiva/Sarahunaath did not kill Kali directly as Kali herself has the power of Shiva. But Sarahunaath was killing Kali through one God each.

Note: So for Lord Sarahunaath god is the most powerful god in the universe.

8. Lord Sarahunaath is a Allah? And lord sarahunaath is universe kingdom

Riots have started in every religion in Kali Yuga for this reason. Some have argued that Lord Shiva is not Allah. Christians believe that Jesus is the true God. The god of Hinduism is Satan, all the gods in Hinduism are man-made gods. Similarly, Muslims ignore the fact that Allah is the true God, the God of Hinduism or Shiva is not Allah. For this, the people of Hinduism remain silent without arguing against him. Thus the population in Hinduism is decreasing. People from holy Hinduism are converting to Christianity, Buddhism and Muslims. Param Prabhu Sarahunaath clearly knew that all this was probably Kali tragedy.

Be that as it may, when Param Prabhu Sarahunaath is in the Math, he is asking and solving the problems of the people who come to him without discrimination of caste and religion. When the devotees visited Sarahunaath in Matha or other temples, he would give advice according to their religion as to which religion he belonged to. He was solving. That means mostly Hindus and Muslims used to come to him. If Muslims came they would say "Allahu Sarahunaath Shubham Allah Masha Allah Sarahunaath" according to their religion. Muslims have always followed it as the Word of God. If the Jains came, Sarahunaath would advise them according to their religion, "Jainam Bhavati Sarahunaath Sashanam". Jains have always observed it. If Christians came, Sarahunaath would advise them according to their religion, "Most Holy Sarahunaath, Merciful Amen". Christians followed it without fail. Mostly Muslims used to come to Sarhunath. So Muslims used to call Sarahunaath as "Allah".

Param Prabhu was not comparing Jesus to Sarahunaath. Because Jesus did not have the power of Param Prabhu Sarahunaath. But Jesus is the holy god of Hinduism to Saint Sai Baba. Because Jesus was also a saint like Sai Baba.

But Param Prabhu Sarahunaath was not a saint. He was divine. Allah was Sarahunaath said to the people of all religions, "I am the amalgamation of all religions. I live in all religions. So call me as Sarvanath. Sarva means everything. Call me Sarvanath or Sarahunaath because I live everywhere. Look at my name and you can't even tell which religion it is. Because Sarahunaath Everything is included in the name.

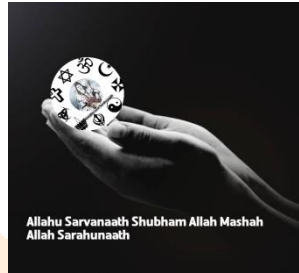

Parama Sarahunaath lived in the holy Hindu religion at birth, in the holy Christian religion after birth, as a Muslim in his childhood and then as a Buddhist for six months, then lived in other religions for six years and finally lived in the holy

Signiesm religion. Since the holy Signiesm religion is a union of all religions, if Param Prabhu Sarahunaath takes refuge in him, all the religions of the world will be worshipped.

If there is no conspiracy against another religion in any religion, it means that such religion is also faithfully serving God. Or if any religion deceives people of other religions and draws them to its religion, it means that there is no faith and loyalty in that religion. And it means that the real God does not reside in that religion.

Mostly in Christianity, since they are arguing that their religion is the best and their Jesus is the true God, here any god is looking at the god of other religion and religious practices with envy, because Jesus is the reason for this, he will remain outside Himagiri constitution and God's world. He cannot be a true God.

Similarly, in the Muslim religion and some other religions, if they argue that their religion is the best and the practices of the religion are correct, then it definitely means that there is no true God. Even Devaloka does not agree with that. So the Supreme Lord Sarahunaath is only Allah and the Supreme Soul of the world.

9. Identifying Lord Shiva and Lord Sarahunaath, from kriti era to until kali era. Even called lord Sarvanaath

This question confused many devotees and people. Because both Param Prabhu Sarahunaath and Shiva are in the same shape, or because the temple of Lord Shiva and the temple of Param Prabhu Sarahunaath are of the same form, this question naturally arose in the society. That is how Param Prabhu Sarahunaath removed the confusion of society and devotees.

From Krit Yuga, wherever there are only Shiva murti mandirs or Shiva idols apart from Shivlinga, such mandirs or only portraits of Shiva images, such images, portraits are also called Param Prabhu Sarahunasthas. And he will be known as Sarahunaath.

Param Prabhu Sarahunaath is the real form of Shiva. Param Prabhu Sarahunaath is the real form of Shiva. Shiva himself first came to earth on 1/6/1988 in his true form.

This is also the real face of Shiva. That is why Param Prabhu Sarhunath has no Guru. So far no one knows how Shiva's face has been carved and depicted in images and idols but Param Prabhu Sarahunaath himself. That is the true form of Shiva.

Before the formation of the Earth, there were only dying planets in the universe. Earth also had Yadva Tadv elements in its composition. Oceans and rivers were formed by the constant pouring of water. Even then the whole earth was not formed. At the same time, some mammals and the molecules they needed were formed through chemical substances. Only then did the work begin. Then supreme Sarahunaath came down to earth. As the land before Lord Sarahunaath took his form was getting spherical, the sages of that time observed the structure of the earth and started worshipping it by placing a stone of the same type. Noticing that, Lord Sarahunaath went and got absorbed in that stone. After that Sarahunaath became Shiva. Since then, the installation of Shiva lingas in earth was so unprecedented.

Parama Prabhu Sarahunaath is also known as Sarvanath. That is why now Sarahunaath means the gathering of all the gods of the world. So people of any religion can worship him. Can be worshipped.

At the same time, Ekato Manodharma was established at the beginning of the Krita era by Lord Sarahunaath for the benefit of the society. But man created religion and caste in himself according to his work. Since then till the present Kali Yuga there has been discrimination and fights between religions, so Samartha Sarahunaath re-established Ekato Manodharma in Kali Yuga. It is currently named "Sanahi". And after the Kali Yuga, the Sanahi Yuga begins. Sanahi means 'Sarhunath Himagirisam'. As three crore gods reside in Himagiri, Sarahunaath had declared Himagiri as a new nation.

Sarvanath means everything. Ella means amalgamation of all religions and God of all religions.

10. Who is lord Sarvanaath or Sarahunaath? Is a supreme, almighty or god?

Whether Param Prabhu Sarahunaath is a God or the Supreme Lord has puzzled many holy Hindus on earth. He started conspiring against Sarahunaath. That is, the common people did not accept Sarahunaath as God and Supreme Being. did not believe Or even in Kali Yuga like Krita Yuga, no one believed that Sarahunaath was Shiva himself. Instead they mocked and laughed. Ignored.

But Sarahunaath was not an avadhuta either. Neither was a saint. He was not even a monk. And he was neither an astrologer, a priest nor a yogi, nor an angel nor a divine man. He himself was the Supreme Being. Thus, he did not tell the devotees who would come to visit the monastery. And most of all, he never told anyone that he was a nobody. He used to enter the Parakaya on hundreds of millions of people at the same time. But his body was not detached. That means he was omnipotent and omniscient. were infinite.

Both were lovers of Param Prabhu Sarahunaath. He was originally Ganga Gauri. So Lord Sarahunaath was not even a monk due to this reason. He was a divine soul according to astrology. That means they had no shape in Grasa. But apparently he was in such form.

However, Param Prabhu Sarahunaath denied the prevalence of sexual affairs of monks and demigods in Kali yuga. Didn't like publicity. But when he got time, he used to compose scriptures for the benefit of people in the future. Even though he wrote thousands of books in his young age, they were published all over the world, but he did not get publicity. Param Prabhu Sarahunaath never said that He is the Supreme Lord and Shiva is Himself. The devotees could not be trusted. But the devotees themselves saw Sarahunaath's costumes and observed his power and promoted Sarahunaath as Shiva himself. Moreover, all the gods of Hinduism had said that you are Shiva in the presence of Param Prabhu Sarahunaath himself. And Sarahunaath followed the advice of all those gods. Importantly, all the gods of the universe resided in Sarahunaath's hands. All those gods were following Sarahunaath's order.

Note: The specialty is that Sarahunaath had one god in each of his seven cycles. And those seven wheels were working so fast. All the planets of the universe resided in the seven main chakras.
