Monotheism / Signiesm Religion:

At the beginning of the krita era, the monotheism was established by the Supreme Being for the benefit of society. But man has created religion and caste in himself according to his work. Due to the discrimination and bullying in the religions since then till now, the capable Lord Sarahunaath have re-established the same temperament in Kali yuga. It is currently named “Sanahi”. And after the Kali Yuga, Sanahi era begins. Sanahi means “Sarahunaath Himagirisam”. Since the 33 crore Gods resided in Himagiri, the Sarahunaath had established Himagiri as a new nation.

Sarahunaath means the summation of all divine beings in the world. So they can be worshiped by any religion. Lord Sarahunaath is incarnation of all religions in the world. Means lord Sarahunaath was Judaism, Christianity, Islam, Bahai Faith, Hinduism, Taoism, Buddhism, Sikhism, Slavic neopaganism, Celtic, Polytheism, Heathenism (Germanic Paganism), Semitic neopaganism, Wicca, Kemitism (Egyptian paganism), Hellenism (Greek paganism), Italo-Roman neopaganism religions.

What’s love story in Mars lord Sarahunaath?

On the one hand, Srimannarayana and 33 Gods on the Heaven, on the one hand, the mistress Umadevi, together with Parashiva, on the other, the goddess Parvati and Parashiva were not enlightened. The world was not being welfare by Lord Sarahunaath. When, after eight years of long penance, Lord Sarahunaath became interested in the mantra and meditation of the hypnotize, the seven chakras became awakened, and clearly the future knowledge and enlightenment of her true form became apparent to the aunt mistress Umadevi. But in Kali yuga, Sri Parvati Devi could not join Lord Sarahunaath in a similar way.

It was an opportune time and Lord Sarahunaath began offering advice and guidance to the devotees who came to him. They also began to solve problems in various ways. In this heaven, Srimannarayana and the deities of 33 crores sarcastically said, "It is a sad fact that Lord Sarahunaath is now learning and killing to Kali (Demon)." But since Lord Sarahunaath too has much to gain in the world, we all have to go to the world and solve our problems of devotees. Lord Sarahunaath a also has to bring true to the world as he has already favored the pros and cons of all forms of learning destruction. Until then, let us all stand behind Lord Sarahunaath. They should all come to Earth and live in their own place.
As a result of eight years of long penance for Lord Sarunatha, Enlightenment, the mistress Umadevi she joined Kali’s Abdomen. Sri Parvati did not open the incarnation of Goddess. The main reason for this was the Kali’s shouting and angers. Lord Sarunatha was long convinced that Kali would be left with the fruits of eight years of penance and Hypnotize. Parvati Devi was not in touch with Kali when she was real. In any case, in my era, Goddess Parvati was also in the form of a nervous, and she devised all sorts of machinations and intrigues to leave her alone. At the same time, Kali burst into the rain with a flash of lightning, and killed Parvathi’s house. He held her in his belly. He kept her soul in a transparent sheath in his belly.

As Parvati is immortalized by Kali, Goddess Parvati does not open the real form of Goddess Parvati if she is not immortal. Even Lord Sarunatha does not realize his true nature. But now Goddess Parvati somehow never married a nervous man on earth. But if the wedding does not happen, it is sure to die. But for Kali herself, the death of Goddess Parvati, thereby benefiting herself and Goddess Parvati. Lord Sarunatha’s destruction was literally impossible for a stone caught in the lure of the samsara. Then Sri Gangadevi became a true enlightener of her husband, ‘Kokkarne’. However, when Ganga Devi learned the first version of Kali, the other 1000 incarnations of the Goddess Ganga devi, as in Lord Sarunatha, bound her as a stone and carried her to the abyss. But it could not be identified with Lord Sarunatha and the 33 crore gods, Srimannarayana.

It was quite evident that Sri Parvati and Lord Lord Sarunatha were here in the great Gulbarga metropolis. But she too could not have Lord Sarunatha by her death. She also dressed up in human form and enshrined Lord Sarunatha in any form. However, in his second incarnation, Kali held Goddess Parvati in a transparent chisel and placed her in his belly. His second incarnation was carried out by Sri Kalika Devi, but Sri Parvati could not be brought out of his belly. The goddess Ganga is also a prisoner in the distance. But even Goddess Parvati could not be identified with Lord Sarunatha and Sri Mannarayana. It was during this time that Parashiva too became Lord Sarunatha. But the Lord Sarunatha could not kill the 1001 Kali’. This is because Kali himself attained the power of Parashiva from three successive eras, namely the Krita, Tetra and Dvapara periods.

**Kali’s Incarnation in Kali Yuga**

In mars, lord Sarunatha was in love with Gangadevi. Earlier, they had fallen in love with Ganga in the Krita era, when her parents were reluctant to give her up to Sarunatha. Sarunathas, who had seen it so divinely, thought to leave the earth. Gangadevi realized this and sacrificed her life. But she sacrificed and came to mars within a year. Sarunathas marked her and dashed to the ground of mars, consoled by goddess parvathi. However in mars, woman experienced childbirth in pain, but there was no baby in her womb. But Sarunatha entered her womb and was born. This is where his melodic love story took off. When Parashiva came to earth, he was called Sarunatha. Shiva was not originally shaped. He was an almighty lord. During the kruti ear, he was worshiped in the form of lingam. But if they give a Darshan to human life, it became Sarunatha. this was their original form. That is, he was a Parashiva in the form of Sarunatha.

If there is statue of lord Shiva behind the Shiva lingam in the country or in the universe, it is considered lord Sarunatha. The creation of the planets in the universe was not created before the idea of the monkey being human. Before that, the left-learning or including critical universe, the Sarunatha, searched the Gangadevi and went from the globe to the planet Mars. Since there is only divine beings than any other biomass there, Sarunatha himself divided the planets from the centre of the Sun by the love story of Ganga. Then came the beginning of the krita era, the earth born from 450 billion years. When it’s over he was born again in the land of Kali yuga in the Earth.
